The Weekly Dish

Message from Mr. Danzy

This weekend I had the opportunity to attend City Basketball games at the Len Colla Recreation Center to see one of my most favorite elementary students, Ramsey, play basketball. While watching, I also got to watch one of our amazing Social Studies Teachers, Mr. Corey Graham, refereeing the games. It is always great to see our Spartan teachers involved in the Casa Grande Community.

This week we kicked off a busy schedule of spring sports. On Tuesday our Softball team faced off against Canyon del Oro High School (Oro Valley) at home, while our Baseball team travelled down to Canyon del Oro. Please come cheer on both our Varsity teams at home this Thursday (3/3) evening.

Other News:

- **Spring Intercession:** More information will be coming out regarding spring intercession. This will be a time for our seniors who need extra time in the classroom to come in during Spring Break to complete work.
- **Online Registration:** If you have not completed your online registration for the 22-23 school year, please do this ASAP. Student's will not receive schedules for next year if this is not completed. https://www.cguhsd.org/doOnlineRegistration.aspx
- **Summer School:** More information will be coming out regarding summer school. If interested, please be on the look out for those emails and check the school website. https://www.cguhsd.org/vgSummerEducationAcademy.aspx

Staff Highlight:

Mr. Jovahn Del Cid

Congratulations to Mr. Del Cid on being awarded Employee of the Month. Mr. Del Cid worked tirelessly on creating our Winter Open House Session. He is also part of our Varsity Baseball Coaching Staff. We are very thankful for everything he does for our students and school!

Student Highlight:

Josue Calderon

Josue was honored at the March School Board Meeting for being the Casa Grande Rotary Student of the Month. Josue plans to attend ASU to study Electrical Engineering. From there he will be commissioned as an officer in the Navy.

What's Cookin' Mr. Danzy?

Chicken Alfredo Lasagna

Ingredients:

- 4-5 Skinless Chicken Breasts
- 3 cups heavy cream
- 2 Tbsp extra olive oil
- 3 Tbsp garlic
- 1 cup chopped sundried tomatoes
- 2 bags parmesan cheese
- 1 package lasagna noodles

Directions:

- Dredge chicken in seasoning
- Sear chicken for 2-3 minutes
- Place in 350-degree oven for 10 minutes.
- Build sauce with 3 cups of heavy cream and rest of ingredients; bring to simmer.
- Add 1 bag of parmesan cheese
- Remove chicken from oven and shred
- Layer chicken mixture along with other bag of parmesan cheese lasagna style in a baking pan.
- Bake uncovered for 35 minutes at 350 degrees
- Bake covered in foil for 35 minutes
- Remove foil and bake for additional 10 minutes
- Let sit for 15 minutes and enjoy at your own risk.

2022-23 Changes in Credit Recovery process: Letter to students and parents

Revised 01/20/2022

To Whom It May Concern:

To help support students in making the best decisions about their course selections for the 2022-23 school year, we want to announce some changes to the credit recovery program currently being offered in the Casa Grande Union High School District.

During the upcoming school year, 2022-2023, CGUHSD will no longer be offering a credit recovery program. The Edgenuity credit recovery program was intended to allow credit deficient students the opportunity to regain credits through a pull-out program, working in a self-paced, online curriculum with the support of a classroom teacher. The goal was for students to make up their missing credits and to return to the regular classrooms. We did not see the types of gains and improvements desired.

We want to make sure that students are informed of new opportunities to graduate from CGUHSD schools on time. This summer students may take courses during June to remediate credits and to accelerate credit. Two sessions of summer school will be available. The first session is June 6 through June 17. The second session is June 20 through July 1. Students may enroll in one class each session. Students must attend class every day or they will be dropped if they accrue more than two absences excused or unexcused.

Another opportunity to accelerate and remediate credit will be to take additional courses during zero hour and 8th hour during the school year. These are not credit recovery courses. Students may repeat, retake, or accelerate credits during the summer and during the school year. These classes would be in addition to a student's regular 1-6 periods per day.

Summer learning classes and additional courses during the school day are tuition-based. If in need of financial assistance, please schedule an appointment before school, during lunch, or after school with the assigned school counselor.

Once the Online Registration has been completed by a parent or guardian for SY 2022/2023 regular student course requests may begin and will occur during the school day. Additional courses requested will be considered at that time. Online Registration (OLR) (cguhsd.org)

If you have further questions, please contact your school counselor.
