

13th Annual Smoke Alarm Installation Event

Saturday, January 25, 2020

This is our 13th year installing smoke alarms to residents in Casa Grande. It is our goal to help families in our city to be better prepared and take important steps to prevent home fire-related injuries and fatalities.

Volunteers with the Casa Grande Fire Department will meet at St. Anthony's Community Center and canvas the outlined neighborhood. Our goal is to visit the homes in this area and inspect their existing smoke alarm, replace batteries or install smoke alarms if the home has none.

St Anthony's Community Center

311 E 1st Ave, Casa Grande

Schedule of Events:

- 7:00 Volunteer check in, pick up t-shirts, breakfast
- 8:00 Training on installation and Mayor Welcome
- 9:00 Installation of smoke alarms begins, return to base when finished
- 12:00 Equipment check-in, Volunteer Luncheon
- 1:00 Close of event

Thank you for being part of the S.A.F.E. Team (Smoke Alarms for Everyone!)

A huge Thank You to our partners!
