

## **Most Frequently Asked Preregistration Questions:**

- 1. I want to take an Honors or AP class, but it is showing a regular class on my PowerSchool preregistration for pre-selected classes. What do I do?**

If you wish to take an Honors/Dual Enrollment at CAC or an AP course, you need to complete the contract that corresponds and return to your counselor no later than March 6<sup>th</sup> (forms can be picked up from the counseling office)

- 2. I want to sign up for CAVIT, but it is only showing CAVIT Cosmetology as an elective option on my PowerSchool preregistration. What do I do?**

If you signed your letter of intent with CAVIT and were told by your counselor you were accepted, be sure to add CAVIT Cosmetology to your first 4 electives requests (CAVIT will consume two periods of the day both semesters).

- 3. I have already taken and passed a class that is pre-selected on the PowerSchool preregistration. What do I do?**

Email your counselor the class that you would like to take in place of the pre-selected course? For example, if you are a Junior and have already taken Algebra II but would like to take Algebra III, email your counselor requesting the change. If you want to take an Honors or AP class, see question #1.

- 4. I plan on taking a course at CAC over the summer to place a course for the following school year. What do I do?**

Email your counselor to schedule an appointment to discuss the process of enrolling at CAC. Act "as if" you will not be taking the courses over the summer for pre-registration purposes just to ensure you are signed up for the right classes if plans change over the summer.

- 5. What is the deadline for submitting my online PowerSchool Preregistration?**

Sophomores & Juniors: March 6<sup>th</sup>

Freshman: March 10th
