

Top 10 Remote Learning Tips

for Parents

1. Check PowerSchool Daily for attendance and grades.
2. If possible, create a workplace in the home that is not a high traffic area that allows them a stable area to write notes. Make sure this place is near an electrical outlet, if not charge lap top every night after schoolwork is completed.
3. Remove distractions (TV, Video Games, Cell Phones, Social Media) from student's workstation.
4. Post the school bell schedule by the workstation.
5. Follow a daily routine of waking up, eating breakfast, changing out of pajamas, and logging in to classes.
6. Encourage your student to step away and take a break during the 10 minutes between periods.
7. Students should be checking in and working on all 6 classes every day even though they are only scheduled for 3.
 - a. **Asynchronous-** Independent work time. Teachers are available to meet face to face during this time (12:10 – 3:00).
 - b. **Synchronous-** Face to face time with the teachers (8:00 – 11:10).
8. Have paper, pencils, and pens readily available for students to use during their classes.
9. Students are expected to attend their classes for the entire allotted time.
10. Communicate with your student daily about any assignments/homework they may have and encourage them to communicate with their teachers when they need help.
