A note from the Superintendent...

Dear CGUHSD Parents, Community and Staff:

Believe it or not we are already halfway through the summer and the 2019-20 school year is upon us. As we begin our transition back to school next month, I wanted to take a few minutes and share some of the new opportunities that will exist in CGUHSD this school year.

First, we are moving our credit recovery program back to the school sites to allow all our students who are working on credit recovery to also have all the benefits that a comprehensive high school has to offer them. We will continue to work with our students to help them get caught up on credits and graduate from high school while encouraging them to take advantage of the things their schools have to offer students. Secondly, we will have a new bell schedule beginning in August that has a built-in 40-minute period for us to help our students with remediation and enrichment opportunities during the school day and to focus more attention on the climate and culture of our schools. Beginning August 1, 2019, the school day will be from 8:00 am to 3:10 pm except for early release Wednesdays when students will be out of school at 1:30 pm.

I hope you have had some time to rest, relax and enjoy time with family and friends this summer. We have been busy all summer long getting ready for these changes and are ready to welcome students back in August.

Have a great rest of the summer,

Steven C Bebee

Superintendent's Challenge: Are you up for it?

As we begin to focus our attention in the area of Workforce Development, I am offering a challenge to all our students at both CGUHS and VGHS in the area of community service. Students who are up for the Superintendent's Challenge 2019-2020 must earn 50 hours or more per year in Community Service (200 hours total 4 years) by their senior year. Important AP Testing Fee Information

The College Board, creators of Advanced Placement, recently announced significant changes to the AP exam ordering process, deadlines, late fees and cancellation fees that will be mandated for all schools and all students in the 2019-2020 school year. Next school year, all students will decide whether or not to take exams and order their exams by Nov 15, 2019. All

students in 1st semester or year-long AP classes who register after Nov 15, 2019, will be assessed a \$40.00/exam late fee. In addition, a \$40.00/exam cancellation fee will be assessed for any exam order canceled after Nov 15, 2019. The ordering deadline for 2nd semester only courses will be March 13, 2020. You can view the timeline in detail at <https://apcentral.collegeboard.org/about-ap/news-changes/ap-2019/for-apcoordinators>, under Fall Exam Ordering Overview. It is important that all families are aware of these looming changes, especially as students begin registering for their 2019-2020 courses. We understand that these changes may cause concern for students, parents and teachers. Please keep in mind that these changes are being mandated by the College Board and were not decided by the school. Additional details regarding the College Board's new process will be made available once we have more information.
