A note from the Superintendent...

Dear CGUHSD Parents, Community and Staff:

As we begin the school year, both campuses are really focusing on improving the climate and culture of our schools. We were able to create a 40-minute period built into our day that allows us to help our students to stay on track with grades and efforts. During that designated time which we are calling Cougar Time and Spartan Time, we are also beginning our implementation of PBIS (Positive Behavior Interventions and Supports) to define the expectations that both students and staff will live by on each campus. Creating a "creed" that will bind each campus builds a strong sense of community and brings more pride to the campus for our students. As the year progresses, so will the activities that surround Cougar Pride and Spartan Pride on our campuses. As a district, we will be focusing on all our students who are making good decisions and recognizing them for those efforts versus always focusing on the negative behaviors that are sometimes displayed.

I hope you all have a wonderful 2019-20 school year.

Sincerely,

Steven C. Bebee

CGUHS STEM Students Explore U of A

Informative, accommodating, and amazing are the words expressed by the STEM students of Biotechnology and Engineering as they visited the University of AZ. Three groups visited the university's Engineering Lab, Breast Cancer Research Lab, and the Neuroscience Lab. This out-of-classroom experience provided students a glimpse of their future college choice while considering their STEM pathway to give them an informed decision to choose the university that perfectly fits their career.

VGHS DECA Leadership Conference

VGHS DECA Officers and Executive Team attended Leadership at Lost Canyon in beautiful Williams, AZ. Over 400 Arizona DECA members were actively involved in teamwork, leadership, and spirit activities. In addition, VGHS's own state officer, Mattie Bradford, led her first group at this conference. The VGHS chapter has set up a plan of work for the year and the committees have already started meeting to build some new, and strengthen our current, community partnerships.

Spartan Art Project with Mr. Jimenez

Job well done by VGHS Art 1 students, who drew a still-life of a sheet that was setup on a table. The emphasis was on the principle of design "contrast". Students

were asked to capture intense shading and lighting using pencil. The Art 2 students worked with the same principle, but they drew Mr. Jimenez's car, and were only allowed to use charcoal sticks.

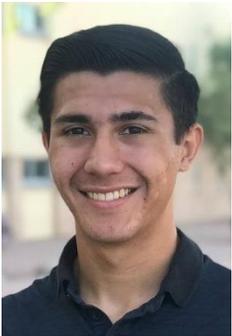

CTE Student of the Month

Lane Medd is a Casa Grande Union High School student and son of Val and Laurie Medd. He was nominated by his Agriculture teacher, Mr. Casey Farnsworth, who stated that Lane always has a positive outlook on life, always willing to serve and does so with a smile. He has a passion for what he does in and outside of the classroom and takes great pride in doing so. He shows livestock at our county fair, is involved in our program's poultry enterprise and crop production and is even willing to come assist with projects throughout the summer break. Lane is serving as one of this year's chapter officers of the Casa Grande FFA and is a fine example to his peers, always willing to go above and beyond, making his high school career count. Making It Happen

Employee of the Month & Golden Ticket Program

In an effort to honor and appreciate our employees, an Employee Recognition Award Program was started to honor a selected group of employees each month. Employees are nominated through our Employee of the Month criteria and selected by our Recognition Committee to receive that honor. Selected Employees of the Month are invited to breakfast at The Big House Cafe with the Superintendent and are recognized at the monthly Governing Board meeting. We have also started the Golden Ticket recognition. These tickets are for district employees to recognize each other for any positive reason! The original Golden Ticket is given to the person being recognized and a copy is placed in the Golden Box at the site. Drawings for gift cards are held monthly by the Recognition Committee.
