PURPOSE

The purpose of the math lab is to support students in their learning and understanding of mathematics. Tutoring: one on one and small group will be happening every day. This is your chance to get help. I am here to help you learn and understand if you let me.

CLASSROOM RULES, EXPECTATIONS and CONSEQUENCES

1. Come to class **on time**, be prepared with all necessary materials/assignments.
2. **No talking or disrupting the classroom** while the teacher is talking or giving the lesson for the day, or when a student is addressing the class.
3. Students are to have respect for his or herself, the teacher, others, and school property.
4. **Cheating/Copying/Plagiarism** will **not** be tolerated in the classroom. Any student(s) caught cheating/copying/plagiarizing will receive a zero for that assignment. If this occurs more than once, the student(s) will be referred to the discipline office.
5. Hall passes will be given in cases of emergencies or as needed. The teacher will determine when hall passes are necessary. Students have **5 minutes** between classes to get a drink of water, use the restrooms, sharpen pencils, etc.
6. Students are expected to be in their seats and ready for class to begin when the bell rings. Those students who are not in their seats when the bell rings will be marked tardy (see school tardy policy).
7. **No food or drinks** inside the classroom. Students will be asked to throw food and drinks in the garbage prior to entering the classroom. This includes **no eating candy or chewing gum**. The only exceptions are clear water bottles with lids and full of only water.
8. Keep the area around you clean. The throwing of any object in the classroom, (i.e. paper airplanes, spit-balls, pens or pencils, etc.), will not be tolerated. Throw any garbage in the garbage can before class or after class or at an appropriate time, this includes wadded up paper.
9. Cursing or profanity of any kind will not be tolerated.
10. **NO CELL PHONES or other ELECTRONIC DEVICES are to be used in class (except school computers, and calculators). Students will be asked to put cell phones in their backpacks otherwise risk confiscation.**
11. All other rules, expectations, and consequences as detailed by CGUHS apply.

ASSIGNMENTS

Working on assignments from the Primary math is class is priority. However, some additional assignments will be given to help further the understanding of certain math concepts. This class also offers opportunities to review and retake Math tests.

GRADES

The class grade as primarily based on participation each day. Additional assignments can also count towards the grade.

DISCIPLINE

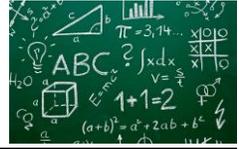

Should any minor discipline problems arise, Mr. Olsen will use a progressive system of discipline to change a student's behavior. Starting with a talk with the student(s) and then:

- * a change of assigned seat.
- * referral to guidance
- * a phone call/email to parents or conference with parents.
- * a referral to administration.

****** The teacher reserves the right to alter any existing rules and/or add rules as pertains to the class**
