Mr. Razo is from Casa Grande. His mother is from Phoenix, AZ. His father was born in Texas and raised in Guanajuato.

Mr. Razo thinks that it is important to celebrate Hispanic Heritage Month because it is part of who we are; it is our identity. It is part of who our family is and our family heritage. He says that it is important to have awareness and to be mindful of our culture and it is good to share it with others.

- At Christmas time he and his family get together and eat tamales and menudo.
- His family also eats tacos, rice, and beans very frequently.
- He and his family go out to eat at Mexican restaurants and go to quinceañeras.

He speaks Spanish, not fluently but tries often. He can hold a conversation in Spanish and sometimes even speaks a bit of Spanglish. Mr. Razo is proud of his Hispanic heritage and is happy to be able to share his traditions and Hispanic background.
