

Schedule Change Request

[Submit a Request](#)

If you want to request a schedule change you must use this form. Be sure to use your school email and complete all sections of the schedule change request form. Please keep in mind that a request is not a guarantee that your change will be approved. Counselors will consider requests on a case-by-case basis. You should expect to see a change in Power School within two school days if your request is approved. Changes are not permitted after the 10th day of the semester.

Can I change my Semester 2 schedule?

YES

I am missing a core academic class.

I have an empty period on my schedule.

I already passed this class.

I need a class to fulfill a graduation requirement.

The class is the wrong level. (Honors, AP)

I have not taken the prerequisite for the class.

NO

I can't be in this class because my "ex" is.

I prefer this class a different time of day.

I don't like the teacher.

I changed my mind about the elective I requested.

I want to be in a class with my friend.

I want a different lunch.
