

Good Afternoon,

Food Service will now be offering a dinner service for all students. This also includes all sports teams, clubs, or activities after school. Available now we can serve a full dinner and it will be FREE to all students who would like one. We are serving meals in the cafeteria from 3:20 to 4:30pm Monday, Wednesday and Friday and will increase as participation grows, (if you are running activities on those days and those times in cafeteria, if possible, please set up away from the doors. If not possible set up with to change time food service to change the times.) Any after-school sponsors or coaches that are interested in feeding their students and athletes all weeks will have a grab bag option. We would need to know how many students and their names and student IDs participating. We are also available to do pre-game (hot meals) and game day meals (lunch bags). Grab bag meals will be handed out and counted by the supervising instructor or coach. It is required that Tammy Darang is notified of all participants in order to track the number of meals given out. a list of students or a roster of students that will receive those meals, will assist in keeping a accurate count. Please relay the information to your coaches or school staff. If you have any students/athletes, Please let Tammy Darang know if you are interested. She can be reached at ext. 4146 or tdarang@cguhsd.org.

Sincerely,
Aaron Encinas
Food Service Director of
Casa Grande Union High School District
