*A CGUHSD employee who reaches the maximum salary will receive any salary increase beyond the maximum salary as a onetime stipend payable at the end of the term of the contract for which any annual raise amount placed them beyond the maximum. For example, a 260 Day Salary Exempt Employee in SY 2022-2023 makes $70,000 and the Governing Board approves a 3% raise for SY 2023-2024. The employee's new salary would be the maximum, $71,227, and the employee would receive $72,100- $71,227 = $873 in a one-time payment payable at the end of the SY 2023-2024 contract term.
