- New hires upon initial hire will receive a 1% increase of the entry hourly rate in a job with like duties of up to five years of experience.
- Education credit may be considered if it is a degree in a like field:
 - Associate degree: 1% initial salary placement
 - Bachelor's degree or higher: 2% initial salary placement
- Continuing Staff who reach the maximum amounts will earn the determined increase not to exceed 1.5% of their current year hourly rate.
- Individuals employed by the district for 20 years who are retiring in one year will earn an additional \$2500 compensation during their final year of employment before retirement. Staff must notify Human Resources two months before starting the retirement compensation. Delayed notification will result in adjustments to pro-rated benefit.
