## FAMILY/STUDENT/SCHOOL RESPONSIBILITIES

### School-Parent Compact

The School-Parent Compact outlines how parents and school staff share in the responsibility for improved student academic achievement and how the school and the parents will build and develop partnerships to help children achieve the State's high standards (*ESSA, Section 1116(d)*).

#### Family Responsibilities

- Be sure your student is prepared for school each day.
- Contact the Attendance Office as needed.
- Check your student's PowerSchool regularly for grades and attendance.
- Arrange an appropriate quiet study area for your student and plan a schedule for daily/weekly homework, study, and review.
- Seek assistance or advice from your student's teacher as needed.
- Check family email for ParentSquare notifications regularly.

#### Student Responsibilities

- Be engaged and participate.
- Be prepared for class. Bring completed assignments and tools needed to complete daily class work using the learning management system.
- Plan time at home to read, review, and study each day.
- Organize your work.
- Establish a schedule for homework completion.
- Seek assistance from teachers or a parent/guardian when you need help.
- Check grades and attendance daily.

#### School Responsibilities

The school understands the importance of the school experience for every student and their role as educators and models. Therefore, the school agrees to carry out the following responsibilities to the best of their ability:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables students to meet challenging State academic standards.
- Address the importance of communication between teachers and parents on an ongoing basis through:
  - Parent-Teacher Conferences
  - Providing parents with opportunities to volunteer and participate in their child's educational planning
  - Ensuring regular two-way, meaningful communication between family members and school staff and, to the extent practicable, in a language that family members can understand. (required) (*ESSA, Section 1116(d) (1-2)*)
- Treat each child with dignity and respect.
- Strive to address the individual needs of the student.
- Provide a safe, positive, and healthy learning environment.
- Assure every student access to quality learning experiences.
- Assure that the school staff communicates clear expectations for performance with both students and parents/guardians.

### Site Council

(REF: A.R.S. 15-351)

Site Councils were enacted in 1994 by the Arizona legislature to “ensure that individuals who are affected by the outcome of a decision at the school site share in the decision-making process.” Site Council members work together to provide input on decisions implemented and effective for the site. These decisions focus on helping students and the organization. To help the Site Council work effectively and ensure that all voices are heard, the district provides training in team building, reaching consensus, and establishing meaningful and authentic issues. Reaching consensus means that all members of the council give general agreement or approval on an issue. If consensus cannot be reached, the principal is responsible for making the decision.

### Parents Right to Know

As per ESSA (Every Student Succeeds Act) of 2015, parents may request information regarding the professional qualifications of their child’s teacher and classroom paraprofessionals including:

- Whether the teacher has met State qualification and certification requirements for the grade levels and subject he/she is teaching.
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived.
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.
- Whether their child receives help from a paraprofessional and, if so, their qualifications.

### Records

The Family Educational Rights and Privacy Act of 1974 (FERPA) provides for a parent/guardian’s right to inspect, review, and seek correction of a student’s educational records. Upon reaching 18, a student has all legal rights and responsibilities previously given to a parent/guardian. A parent/guardian who claims a student 18 years or older as a dependent may still have access to the records. Copies of this policy are on file in each school office and at the district office. If you wish to review your student’s record, you may request that the school principal set up a convenient time for such a review. The district will comply with your request as soon as possible. If, when reviewing the records, you think the information on your student is inaccurate, misleading, or otherwise in violation of the privacy rights of your student, you may request the deletion or modification of the records or enter into the records your own statements of clarification or explanation.

All student records may be released to authorized district personnel or another school that the student wishes to attend. Student records will be released to others only with the signed, written, and dated request of the person legally responsible for the student. Directory information will be gathered and issued for each student. This information includes, but is not limited to, the student’s name, address, telephone number, date, and place of birth; yearbook information such as a major field of study, dates of attendance, school organizations, and awards received; and sports information such as height and weight. If there is personal information a parent/guardian does not wish to have included in the directory of information, please notify the school. To protect the privacy of our students, a parent/guardian who takes photos that include students other than their own, at any school event, must not post them for public view. The releasing of directory information to any agency with a profit motive is prohibited unless specific approval of the Board is granted.

### Evacuation, Emergency, and Crisis Plans

Each school in the CGUHSD has an [emergency/crisis plan](#) to respond to unforeseen events. The plans include responses to various scenarios and lockdown and evacuation procedures.

### ATTENDANCE POLICY

CGUHSD encourages regular attendance at school. **There is a direct relationship that exists between attending school and academic success.** As educators, we know regular school attendance is a necessary part of the learning process and is key to getting a good education. Students who are frequently absent may be putting their future in jeopardy. Studies have shown that chronic absenteeism, especially truancy, is highly associated with dropping out of school. Please be sure your student is there every school day unless the student is sick. All absences more than a cumulative 10% of the instructional days for the school year shall be reported to the Arizona Department of Education as unexcused.

#### Legal Requirements

Arizona law (A.R.S. 15-803) requires students to attend school through the 10th Grade or to 16 years of age. The Board believes that attaining academic excellence requires regular attendance. Attendance is the responsibility of the student and parent/guardian; students may fail classes or promotion may be withheld if this requirement is not met.

- A. It is unlawful for any child who is between six (6) and sixteen (16) years of age to fail to attend school during the hours school is in session, unless either:
  - 1. The child is excused pursuant to section 15-802, subsection D or section 15-901, subsection A, paragraph 5, subdivision (c).
  - 2. The child is accompanied by a parent/guardian, or a person authorized by a parent/guardian.
  - 3. The child is provided with instruction in a homeschool.
- B. A child habitually truant or with excessive absences may be adjudicated an incorrigible child as defined in section 8-201. Absences may be considered excessive when the number of absent days exceeds ten (10) percent of the number of required attendance days prescribed in section 15-802, subsection B, paragraph 1.
- C. For the purposes of this section:
  - 1. "Habitually truant" means a truant child who is truant for at least five (5) school days within a school year.
  - 2. "Truant" means an unexcused absence for at least one (1) class period during the day.
  - 3. "Truant child" means a child who is between six (6) and sixteen (16) years of age and who is not in attendance at a public or private school during the hours that school is in session, unless excused as provided by this section.

#### Definitions:

- **Tardy:** Students will be considered tardy if they are not in their classroom when the tardy bell rings. Parents/Guardians may NOT call the Attendance Office to excuse a tardy.
  - **Absent Tardy (AT):** Students will be considered absent tardy if they arrive to class **after** 10 minutes. This will count as an absence.
- **Excused Absence:** Parents/Guardians must notify the attendance office of student absences. Medical documentation must be provided to the attendance office **within 48 hours** of the date of absence. Failure to provide medical documentation within 48 hours will result in an unexcused absence. Some other examples of excused absences are:
  - Personal or Family illness
  - Doctor or dentist appointment
    - We encourage all appointments to be made after school or on non-school days.
  - Death in the immediate family
  - Religious holidays
  - Court appearances

- **Unexcused Absence:** A school absence is unexcused if it does not meet the excused requirements above, or the parent/guardian does not contact the school to excuse an absence that meets the excused criteria above before the absence, or within **48 hours** of the absence.
- **School-Related Absence:** An absence is school-related if it is due to a pre-approved school-related activity. It will not count as an absence.
- **Suspension:** The days of suspension, both in-school and out-of-school, do not count as absences for the attendance policy.

## Consequences for Absences

The following actions will be taken after three (3) and five (5) unexcused absences per semester:

- **Three (3) Absences:**
  - When a student reaches three (3) unexcused absences for any or all classes, they will receive a 3-Day Absence Letter and may be assigned lunch or after-school detention as determined by the Interventionist. The parent/guardian will receive the letter via email (or U.S. Mail if email is not available).
- **Five (5) Absences:**
  - When a student reaches five (5) unexcused absences for any or all classes, they will receive the 5-Day Absence Letter and may be assigned after-school detention as determined by the Interventionist. The parent/guardian will receive the letter via email (or U.S. Mail if email is not available).
- **Nine (9) or More Unexcused Absences**
  - Once a student reaches nine (9) or more unexcused absences, they will be referred to administration to determine disciplinary consequences. A parent/guardian meeting will be required to sign a Class Agreement Form. The Class Agreement Form will be completed between the teacher and student to help address Possible No Credit (PNC). This may be in addition to after-school detention or In-School Detention (ISD).
- **Ten (10) Consecutive Absences**
  - After ten (10) consecutive days of unverified absences per semester, the state requires schools to automatically withdraw the student from the school.

## Tardy Policy

(REF: BOARD POLICY - JE-RB)

Tardies are viewed as a disruption to the classroom environment. Arriving late deprives the tardy student of full learning time and disrupts the education of other students. Students are expected to arrive on campus in time for the start of the school day and to any classes during the school day. Any student who is late for class will go directly to class and be marked tardy (T). The student must adhere to teachers' tardy policies, including detention and extra duty. Students habitually arriving late at school are subject to administrative disciplinary action. **A tardy becomes an absence when a student arrives more than 10 minutes late (AT).**

## \*VGHS Consequences for Tardies

The following actions will be taken after three (3) or more tardies per semester:

- **Three (3) Tardies:**
  - Letter to parent/guardian notifying family of tardies
- **Five (5), Seven (7) and Nine (9) Tardies:**
  - After school detention will be assigned to the student
- **Ten (10) or More Tardies:**
  - In-School Suspension (ISS) or Out of School Suspension (OSS) will be assigned to the student

### Make-up Work

- **Excused Absence:** Students will be allowed the number of days absent to make up assignments. Work assigned prior to an absence will be due upon return to class.
- **Unexcused Absence and Short-Term Suspension:** Students will be accountable for all information missed and all classroom deadlines determined by the classroom teacher.

### Loss of Credit

(REF: BOARD POLICY – JE-RB)

Students **may** lose credit for any class in which they accumulate nine (9) absences during a semester. This accumulation includes excused and unexcused. The student will be responsible to meet with the teacher(s) to develop a plan, then present evidence (i.e. Class Agreement and PNC Appeal Form) to the principal or designee indicating that the plan was completed, and special circumstances existed to justify an exemption for the loss-of-credit policy.

### Dismissal During School Hours

Students are to remain on campus from their time of arrival until after their last class of the day. Any student wishing to leave campus during the school day must have verified parent/guardian approval. Being off campus without permission from school personnel will result in disciplinary action.

Any student wishing to leave campus during the school day **MUST** have a verified parent/guardian contact. Contact the Attendance Office to excuse the absence and share what time the student is to be excused. A pass will be sent to the teacher in that period and asked to excuse the student. Advance notice will allow the student to be in the front office when the parent/guardian comes in to sign the student out. Parents/Guardians must enter the school to sign their student out with the receptionist (government-issued ID will be required).

- Please make prior arrangements ahead of time so your student has a pass. Students will not be permitted to leave campus without a pass. Parents/Guardians wishing to come to school to sign their student out without making prior arrangements should expect delays in getting their student out in a timely fashion.
- Passes **WILL NOT** be issued during the following:
  - Lunch Periods
  - During 6th period (i.e. Begins at 2:20 on regular school days and 12:25 on early release)
  - Any exams (unit, semester, district, state, national, etc.)
  - Pep Assemblies

## HEALTH SERVICES

CGUHSD is committed to the health and safety of our students. A registered nurse is at each school site and a nurse's assistant rotates between both schools. The Health Office provides first aid, health screenings, and education for our students. It is not an urgent care or primary care facility. Health Office staff are not allowed to prescribe, treat, or diagnose. Parents/Guardians must provide all medications for their students. All medications must be brought to the health Office and a consent form signed.

When an illness or accident occurs during school hours, basic first aid and/or emergency care is provided, and a parent/guardian is notified as soon as possible. A parent/guardian is expected to arrange for their student to leave school within one (1) hour of being notified. Further care and follow-up are the responsibility of the parent/guardian. If you think your student may be ill, check with your doctor before sending them back to school. Students who have been sent home by the health Office due to illness should be fever and symptom free for at least 24 hours without the aid of prescribed or over-the-counter medications before returning to school.

### Emergency Medical Information

Emergency medical information is required each year for every student. The emergency information is vital to ensure the health and safety of your student while at school. Accurate phone numbers or emergency contact numbers are critical. The emergency information assures that the school has the most current information. Please notify the school office if immediate contact information changes during the school year. Sharing your student's allergies, chronic illnesses, and medications with us ensures they will receive emergency care that is appropriate for them.

### Immunization

**(REF: BOARD POLICY - JLCB © IMMUNIZATIONS OF STUDENTS; A.R.S. 15-871)**

Arizona law requires documentary proof of immunity against certain childhood diseases for students entering Arizona schools for the first time. With some exceptions, students subject to this requirement who lack documentary proof may enroll but cannot attend class until proof is provided. Proof of immunization is defined as written documentation that includes the type of vaccine administered, the month and year of each immunization (except MMR immunization, for which the month, day, and year is required), and the name of the physician or health agency administering the vaccine or laboratory evidence of immunity.

### Insurance

CGUHSD does not carry insurance for students' medical or dental costs if they are injured during school activities. Parents/Guardians are responsible for their student's insurance. An optional accident and sickness insurance program for students is available at school through a private agency. Like most insurance policies, there are some coverage limitations and exclusions. Information on the policy is available from each school's office. The schools use these forms as a service to students and parents/guardians; CGUHSD has no other connection with the insurance company. Parents/Guardians may pick up additional forms and purchase insurance at any time throughout the school year. In an emergency, the school may call paramedics who may decide that an ambulance should be called. These services are paid for by the parent/guardian.

### Medications

All medications (except for cough drops) must be brought to the health Office and a release form signed by a parent/guardian. This includes both prescriptions and over-the-counter medications. Students may carry asthma inhalers, diabetic supplies/insulin, and epinephrine injectors after the health Office receives a consent form signed by a parent/guardian. All prescription medications must be in the original pharmacy container, labeled with the student's name, prescription number, name of medication, dosage, and number of times a day to be administered. Non-prescription medications, including dietary supplements, must also be in the original labeled container with information from the parent/guardian as to the date(s), time(s), and amount(s) to be given. School personnel have the authority to administer medications, prescription and non-prescription, to minor students only with written permission from the parent/guardian. Other school-designated personnel may only administer daily medications and emergency medications (asthma inhalers, diabetic supplies/insulin, or epinephrine injectors). Expired medication cannot be administered.

If the person alleged to have violated policy is a student, the Superintendent may impose discipline in accordance with Policies JK, JKD, and JKE. If the Superintendent's investigation reveals no reasonable cause to believe policy has been violated, the Superintendent shall so inform the complaining party in writing.

### Chronic Illnesses

**(REF: BOARD POLICY - JHD ©EXCLUSIONS AND EXEMPTIONS FROM SCHOOL ATTENDANCE; A.R.S. 15-346)**

Students with a chronic and/or recurring illness must provide documentation, signed by a doctor, and on file in the Health Office. A new form is required for each school year. In cases where medical documentation can be provided regarding a long-term illness or an ongoing medical condition, a parent/guardian should be in contact with the school regarding the chronic health problem. A parent/guardian should contact a site administrator to develop an academic plan. Absences due to a chronic illness are exempt from the cumulative 10% rule if they meet A.R.S. guidelines.

## STUDENT SERVICES

### Non-Discrimination

CGUHSD prohibits discrimination in employment and educational programs based on race, color, religion, sex, age, disability, national origin, military status, genetic test information, sexual orientation or gender identity or expression, and provides equal access to the Boy Scouts and other designated youth groups.

### Federal Law Pertaining to Homeless Students

(REF: BOARD POLICY - JFABD © ADMISSION OF HOMELESS STUDENTS)

**McKinney-Vento Homeless Assistance Act, as amended by the Every Student Succeeds Act of 2015**

The term “homeless youth” means individuals who lack a fixed, regular, and adequate nighttime residence due to economic hardship. Homeless status is determined in cooperation with parents/guardians or, in the case of unaccompanied youth, the local educational agency liaison.

1. Each State education agency shall ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youths.
2. In any State that has a compulsory residency requirement as a component of the State’s compulsory school attendance laws or other laws, regulations, practices, or policies that may act as a barrier to the enrollment, attendance, or success in school of homeless children and youths, the State will review and undertake steps to revise such laws, regulations, practices, or policies to ensure that homeless children and youths are afforded the same free, appropriate public education as provided to other children and youths.
3. Homelessness alone is not sufficient reason to separate students from the mainstream school environment.
4. Homeless children and youths should have access to the education and other services that such children and youths need to ensure that such children and youths have an opportunity to meet the same challenging State student academic achievement standards to which all students are held.

Additional information regarding the McKinney-Vento Homeless Assistance Act is available from the district’s Homeless Liaison.

### Admission of Homeless Students - Notice

(REF: BOARD POLICY – JFABD-EB © ADMISSION OF HOMELESS STUDENTS- NOTICE)

In accordance with the McKinney-Vento Homeless Assistance Act of 2001, 722 (e)(3)(C), as amended by the Every Student Succeeds Act (ESSA) of 2015, the parent or guardian (student if unaccompanied) is to receive and acknowledge notice of the rights set forth below.

The parent or guardian of a homeless student (student if unaccompanied) has the right to:

1. Continue the student's education in the school of origin for the duration of homelessness:
  - A. In any case in which a family becomes homeless between academic years or during an academic year; or
  - B. For the remainder of the academic year, if the student becomes permanently housed during an academic year; or
2. Enroll the student in any public school that non-homeless students who live in the attendance area in which the student is actually living are eligible to attend.

3. Appeal if the homeless student is sent to a school other than the school of origin or a school requested by the parent or guardian.
4. Enroll in and have full and equal opportunity to succeed in school without being segregated from the non-homeless student population.
5. Receive educational services for which such families and students are eligible, including:
  - A. Transportation services and meals programs
  - B. Head Start and Even Start programs and preschool programs administered by the school, and
  - C. Referrals to health care and immunization services, dental services, mental health services, and other appropriate services.
6. Identification or service without being stigmatized as homeless by school personnel.

**A parent or guardian (student if unaccompanied) may contact the State Coordinator for Education of Homeless Children and Youths at:**

The Arizona Department of Education

The District Liaison for Homeless shall ensure that the parent or guardian of a homeless student, and any unaccompanied youth is:

- A. Assisted in accessing transportation to the selected school.
- B. Aided in exercising the right to attend the school of choice and other necessary services, and
- C. Provided the above information in a manner and form understandable to the recipient and (if necessary and to the extent feasible) in the native language of the recipient.

## English Language Learners

CGUHSD provides English Language Learner services for qualified students at all schools. Students with a primary home language other than English who do not demonstrate grade-level competency in oral English, Reading, and writing are eligible for services. CGUHSD does not offer a self-contained SEI program. Instead, students receive instruction in the mainstream classrooms, with a focus on standards that assist in student acquisition of English. For further information, please contact the ELL Coordinator at (520) 836-8500 ext. 354.

### **Exceptional Student Education**

Federal and state law requires school districts, charter schools, and other public education agencies to provide a free, appropriate public education to eligible students with disabilities. This free, appropriate public education refers to special education and related services, described in an Individualized Education Program (IEP) and provided to the student in the least restrictive environment. Students with disabilities and their parents/guardians are guaranteed certain educational rights known as procedural safeguards, from birth to age 22. The law and its implementing regulations also provide methods to help assure you that your input is considered.

If you want a copy of the procedural safeguards, please call the district's Special Education Department. If your student is having difficulty in school, please check with the teacher to determine what interventions have been tried to help your student succeed. If the interventions are unsuccessful, a referral for a Special Education evaluation may be necessary. You may contact the school administrator or school psychologist if you wish to make a referral personally.

If your student is suspected of having a disability, we are required to evaluate your student to identify and document whether your student has a disability that may affect his/her learning and, if so, to determine what Special Education and related services are required, if any. The evaluation will be done only after a team has explained what they plan to do during the evaluation. The team will use tests and procedures selected specifically for your student. The evaluation will not include basic tests or procedures used routinely for all students within a class, grade, or school. This evaluation will be conducted according to federal and state requirements and will include the information you provide. Following the evaluation, we will provide you with the complete results within 60 calendar days of your written consent.

If your student is found to be eligible for Special Education services, you will serve as part of the team to help us develop an Individualized Education Plan (IEP) and identify the Special Education and related services your student needs. You may ask others to be present at the IEP meeting if you wish.

### **Student Education Records**

A parent/guardian has the right to inspect and review all educational records and all other rights guaranteed by the Family Educational Rights and Privacy Act (FERPA).

### **Destruction of Educational Records**

The district destroys all psychological and Special Education records on students five (5) years after those students have been removed from Special Education, have been withdrawn from the district, or have graduated.

### **Notifying District Prior to Unilateral Placement in Private Special Education School**

If you disagree with the district and consider enrolling your student in a private special education school, you must provide the district with written notice ten (10) business days before you enroll your student. The notice shall include a statement that you are rejecting the placement offered by the district, what your concerns are about the offered placement, and your intent to enroll your student in a private school at public expense.

### **More Information**

If you do not understand Special Education services and what those services may offer your student, you should speak with the student's teacher, school psychologist, or school administrator where your student receives educational services, or the Director of Special Education.

### Child Find

In compliance with the Individuals with Disabilities Education Act (IDEA) 2004, the district will conduct Child Find activities for children birth through 21 years old. The following are the procedures: Pre-referral, Child Find, and Identification.

1. Review school records (from prior schools and school's current enrollment).
2. Complete a 45-day screening for school-aged children new to the school.
3. Document interventions attempted for school-aged children prior to referring for an evaluation.
4. Refer children suspected of having a disability age birth to three years to Arizona Early Intervention Program.
5. Provide information to parent/guardian(s) in writing.
6. If appropriate, refer the child for evaluation and/or other appropriate services. Schools identify, locate, and evaluate all children with disabilities within their population served who are in need of Special Education and related services. For more information, contact your school site.

### 45 Day Screening

As mandated by Arizona Administrative Code (A.A.C.) R7-2-401 (C) and (D), the district is required to establish a process to ensure that any academic and/or developmental concerns of its students are not overlooked, and to determine this within the first 45 days of each child's attendance at a new school. To comply with this mandate, your child's classroom teacher will screen your child on aspects of your child's development such as language, cognition, perception, and motor skills. Screening is a process of rating skill strengths and weaknesses. If you have any questions about the screening process, please contact your child's school site.

### Equal Educational Opportunity

(REF: BOARD POLICY - JB-R © EQUAL EDUCATIONAL OPPORTUNITIES)

CGUHSD prohibits discrimination in employment and educational programs based on race, color, religion, sex, age, disability, national origin, military status, genetic test information, sexual orientation or gender identity or expression and provides equal access to the Boy Scouts and other designated youth groups. Questions, complaints, or requests for additional information regarding these laws may be forwarded to the designated compliance coordinator(s) at the District Office.

### Compliance Officer

The Superintendent shall be the Compliance Office. Any person who feels unlawfully discriminated against or to have been the victim of unlawful discrimination by an agent or employee of the district or who knows of such discrimination against another person should file a complaint with the Superintendent. If the Superintendent is the one alleged to have unlawfully discriminated, the complaint shall be filed with the President of the Governing Board.

### Complaint Procedure

The district is committed to investigating each complaint and to taking appropriate action on all confirmed violations of policy. The Superintendent shall investigate, and document complaints filed pursuant to this regulation as soon as reasonable, within the established timelines. In investigating the complaint, the Superintendent will maintain confidentiality to the extent reasonably possible. The Superintendent shall also investigate incidents of policy violation that are raised by the Governing Board, even though no complaint has been made.

If, after the initial investigation, the Superintendent has reason to believe that a violation of policy has occurred, the Superintendent shall determine whether to hold an administrative hearing and/or to recommend bringing the matter before the Governing Board.

If the person alleged to have violated the policy is a teacher or an administrator, the due process provisions of the district's Policy GCQF shall apply, except that the supervising administrator may be assigned to conduct the hearing. In cases of serious misconduct, dismissal, or suspension, proceedings in accordance with A.R.S. 15-539 et seq. may be initiated.

If the person alleged to have violated policy is a support staff employee, the Superintendent may follow due process and impose discipline under Policy GDQD if the evidence so warrants. The Superintendent also may recommend a suspension without pay, recommend dismissal, or impose other appropriate discipline.

### Timelines

The complaint must be filed within thirty (30) calendar days after the complaining party knew or should have known that there were grounds for a complaint/grievance.

Once the written complaint has been filed using the forms provided by the district, the Superintendent shall require the immediate supervisor or site administrator to investigate and respond in writing to the complaining party within five (5) working days.

If the immediate supervisor or site administrator does not respond, the Superintendent will have ten (10) additional working days to respond in writing to the complaining party.

If the Superintendent does not respond within the established time, then the complaining party may request in writing that the issue be brought before the Governing Board. The Governing Board will then review the record of the investigation and have thirty (30) days to respond to the complaining party in writing.

### Wellness Policy

#### (REF: BOARD POLICY - JL © STUDENT WELLNESS)

CGUHSD has a wellness policy in place and follows the Arizona Nutrition and Wellness Standards. According to the Pinal County Department of Environmental Services, food brought into the classroom for snacks and parties must come from a commercial source and cannot be homemade. Items should be individually wrapped to avoid bare hand contact with the food. If the items are not individually wrapped, such as cookies or cupcakes from a bakery, an adult wearing non-latex gloves must serve the food. Students are not allowed to share homemade food items. For more information regarding nutrition and wellness, including the Arizona Nutrition Standards, please visit their website at [AZDE NSLP Info](#).

**Parents, friends, and family members are not permitted to deliver food. Students are not permitted to have food delivered by any delivery service during the school day (DoorDash, UberEATS etc.).** Therefore, under no circumstance will deliveries be accepted/allowed. If you have an isolated request, please contact the Academic Assistant Principal for an exception. The Academic Assistant Principal or Principal are the only ones who can make an exception.

### Other Deliveries

All books, materials, money, cell phones, computers, etc., should be brought when the student comes to school. However, the office staff assumes no responsibility in assuring that the delivery is made or that the student is notified.

### Visitors

Access to our campuses is limited to the main offices. For those visiting beyond the main offices, we have a monitoring program in which visitors are asked to provide the receptionist a state-issued ID that will be scanned through a monitoring system. Visitors are then issued a visitor's badge to be visibly worn throughout their visit. Persons failing to comply with this policy may be deemed as trespassers and are subject to arrest (A.R.S. Title 13).

**Note:** Individuals wishing to visit teachers/staff members must receive prior approval and the main office notified.

Students will not be called out of class to answer the phone. In the case of an emergency call from a parent/guardian, a message will be delivered to the student in class.

## ELECTRONIC DEVICES AND NETWORK RESOURCES

(REF: BOARD POLICY - IJND © TECHNOLOGY RESOURCES, IJND-R ©, IJNDB © USE OF TECHNOLOGY RESOURCES IN INSTRUCTION, IJNDB-RA ©, IJNDB-RB, IJNDB-E ©, IJNDB-EB, IJNDBA © WEBSITE ACCESSIBILITY)

### General

The following guidelines apply to students who use computers belonging to CGUHSD, access network resources available through CGUHSD, and/or bring personal electronic devices to CGUHSD schools/events. These include, but are not limited to, cell phones, iPods, electronic games, audio devices, or any other electronic devices.

Network access, including the internet, is available to students. Our goal in providing this service is to promote instruction and learning. CGUHSD has taken technical and organizational precautions to restrict access to controversial materials. However, on a shared network, it is impossible to control all controversial materials. CGUHSD believes the valuable information and interaction available on our network and the internet far outweigh the possibility that users may experience material inconsistent with the educational goals of CGUHSD.

Students, Faculty, Staff, and Parents/Guardians may bring their own technology devices to school for academic/instructional purposes, if allowed by the teacher/administrator. All non-district devices (laptops, iPads, etc.) will be provided access to CGUHSD's network as necessary to support instructional program standards. All students will access district network resources through a password authentication system.

Electronic devices or toys often cause disturbances or interfere with learning. Therefore, inappropriate use of the devices will result in consequences ranging from the student losing privileges, to suspension/expulsion, in accordance with the disciplinary section of this handbook. Inappropriate use includes: any inappropriate filming, distributing, or publishing any derogatory, defamatory, abusive, profane material; use when directed not to by the teacher/administrator; use for reasons other than educational purposes. Personal speakers are not to be used anywhere on campus without the express permission from the administration. **Phones that disrupt the learning environment may be held for parent/guardian pickup.** Misuse of an electronic device, personal or district-issued, may result in disciplinary action. Please refer to the discipline matrix for details. CGUHSD is not responsible for any lost, stolen, damaged, or confiscated property.

## BARK

Student School owned Systems are monitored by BARK: **Bark uses AI to detect and proactively alert Administration and parents to issues their children face.** Student's school issued email accounts and devices are monitored by administration and the students' parents. The students using school issued devices must maintain proper communication that support the school district school policies, or they may be disciplined accordingly. Additionally, information is used to help students in need of social emotional support.

## Responsible Use Agreement

CGUHSD is not responsible for the technology brought to school including both district and personal devices. Disfigurement, damage, loss, or theft of a district device will result in the student owing a \$100 deductible for the device to be repaired or replaced. Removal of the District Asset Tag will result in a \$10 fee. Activities on the CGUHSD network (including guestnet), on personal or district devices, are not private and can be accessed by district personnel at any time. There is no expectation of privacy when on a district device at any time or on a personal device while using the district network. Failure to follow the rules specified in this policy may result in disciplinary actions. Students are responsible to:

- return district devices in acceptable condition at the end of each school year or upon withdrawal; failure to do so may result in the police being contacted.
  - use the CGUHSD network (including guestnet), whether on a personal or district device, appropriately. This includes:
    - not sharing one's password with other people and not using another person's password to access the network,
    - not sharing personal information about oneself or others online, \*
      - not looking up material that contains violence, hate speech, profanity, sex, drugs, alcohol, or other inappropriate material as determined by school staff, \*
    - not engaging in cyberbullying, as defined in the CGUHSD Student Handbook,
    - not installing or downloading any harmful, illegal, or inappropriate programs or applications on any district device,
      - not circumventing or attempting to circumvent district security measures including, but not limited to, network security, web filters, virus protection, or any other security measures employed by the district,
    - not engaging in audiotaping, videotaping, or photographing others, \*
    - not stealing intellectual property from other people by plagiarizing, cheating, or violating copyright rules.
- \*unless related to a school project and directed to do so by a district staff member.
- use one's personal or district device during class time for classwork only at the direction of the teacher,
  - report inappropriate use by others in accordance with the guidelines listed above, and
  - tell a teacher or staff member, immediately, if they enter an inappropriate site accidentally.

## ATHLETICS/ACTIVITIES

(REF: BOARD POLICY - JJJ © EXTRACURRICULAR ACTIVITY ELIGIBILITY)

### Athletics

In the CGUHSD athletic program, the health and welfare of the student-athlete is the most important concern. We know athletic participation enhances the learning environment of the campus. Every effort is made to ensure a healthy environment and safe training conditions for student-athletes. Our athletics include Varsity, Junior Varsity, and Freshman teams.

A new [CGUHSD Family/Athletic Handbook](#) was approved at the June 8, 2024 School Board Meeting.

### PE Lockers

Locks and lockers are the property of the school, supplied to students. Students are not to share lockers with other students. Administration has the legal right to inspect individual lockers when there is a good reason to do so. The district will make periodic health and safety inspections of all lockers. Students have no reasonable expectation of privacy as to school lockers. The school is not responsible for articles lost or stolen.

### Activities

School activities are integral to the total educational program and provide experiences not adequately addressed by regular classroom instruction. CGUHSD has various organizations that offer opportunities for interested students to participate in extracurricular activities. Clubs are organized as interest is shown. Some activities and clubs will require an activity fee. Information on recognized clubs is available in the Athletic Office.

### Publishing

(REF: BOARD POLICY - JICE © STUDENT PUBLICATIONS)

Students may distribute or post such materials in the building or on school grounds subject to administrative approval and rules published by the site administrator.

### Field Trips

Students are allowed to attend school-sponsored out-of-class field trips if they receive a passing grade in all their classes, have an acceptable attendance record. A parent/guardian and teacher must sign the Field Trip Permission Form. The teacher will have the chance to determine the student's eligibility for the field trip based on their progress in the class, not be in discipline. All school rules apply while students are on a field trip.

### Transportation

(REF: Board Policy - EEAA © WALKERS AND RIDERS)

#### Bus Information

Bus services are provided by Durham School Services. Bus Services may be contacted via phone at (520)836-8735 or email [casagrandedispatch@durhamschoolservices.com](mailto:casagrandedispatch@durhamschoolservices.com). Specific rules regarding school bus conduct are posted on each bus and available from each school. Violations of the rules or safety are grounds for denial of bus transportation privileges and/or discipline.

Student transportation is a qualified right, dependent upon good behavior. Student behavior on buses must promote safety, as bus drivers are responsible for the safe operation of the bus. Students shall observe district policies, regulations, and rules while being transported. Students who jeopardize the safety of others may forfeit their bus privileges.

## Student Vehicles and Automobile Use (JLIE-R REGULATION)

### Registration

Students will register their vehicles if they intend to drive to school. The registration will require that the owner of the vehicle sign all required forms and acknowledgments. Registration stickers will be affixed to the vehicles as specified by the school administration. Students who fail to register their vehicle or who fail to follow school policy and procedures related to use of vehicles may have their vehicles towed away. Any expense related to such towing will be the responsibility of the student. Under the conditions set out in A.R.S. [28-4836](#), the authorizing school personnel will notify the law enforcement agency of the jurisdiction of the school within one (1) hour of the time the vehicle is moved or towed. VGHS does not assume liability for damage or stolen property while vehicles are parked on campus.

### Parking

Parking on school grounds is a privilege, not a right. Drivers are responsible for the safe operations of their vehicle as well as the safety of others. ### Course Catalog

[2024/25 Course Catalog](#)

### Graduation Requirements

Each school district determines the course requirements for graduation for its schools. To graduate from CGUHSD, students

must complete 22 credits. With proper documentation, a student may replace a course required for graduation with a comparable college course, including online college courses. Please see your School Counselor for specific details. Seniors MUST attend BOTH days of marching practice to participate in graduation. The CGUHSD Governing Board has approved the following requirements. See your School Counselor for specific requirements for class rank and/or academic honors.

<u>Curriculum</u>	<u>Current Requirements</u>	<u>Cohort 2023 Requirements</u>
English	4.0	4.0
Math	4.0	4.0
Science	3.0	3.0
Social Studies	3.0	3.0
Physical Education (PE) (*)	0.5	0.5
Health *	0.5	0.5
World Language (+)	0.0	0.0
Fine Arts/CTE	1.0	1.0
Electives	6.0	6.0
<b>TOTAL</b>	<b>22.0</b>	<b>22.0</b>

(+) The recommendation for students planning post-high-school education is two (2) years of a World Language.

(\*) PE and Health are required elective courses.

**Note:** Seniors must complete the last semester of their senior year to be eligible for a CGUHSD diploma. Seniors must take at least four (4) classes on the CGUHSD campus. Two (2) of the four (4) classes must be core classes.

## Honors & Advanced Placement (AP) Courses

Students enrolled in classes designated as AP and Honors will receive the same letter grades (A-F) as those enrolled in regular classes. However, grades earned in AP and Honors courses will have a higher weight compared to grades earned in regular classes. Students enrolled in AP classes are highly encouraged to take the AP Exam. Students must complete an AP course in its entirety and take the AP Exam to earn weighted credit. A student may request to be transferred from an AP class to a regular class and vice versa with parent/guardian permission and teacher recommendation. Movement must be made according to district policy. Placement in classes is based on standardized test scores, District Placement Assessment, teacher recommendation, and parent/guardian/student request. The fee for AP Exams can be paid through the bookstore or online portal.

## Honors and Awards

Students must have at least 24 credits and a cumulative weighted GPA of 3.5 to graduate with honors. To be considered for honors and awards, a student must be enrolled in CGUHSD for one (1) full academic school year.

### Honors Graduate

The student must have a cumulative weighted GPA of at least 3.5 at the end of seven (7) semesters.

### Honors Graduate with Distinction

In addition to the requirements above, the student must earn at least three (3) AP scores at the level of three (3) or above by the start of the senior year.

## GPA (Grade Point Average)

A student's cumulative Grade Point Average (GPA) is calculated by dividing the student's accrued course grade points by the number of course units the student has taken to the date of the computation.

A	=	5.0	A	=	4.0
B	=	4.0	B	=	3.0
C	=	3.0	C	=	2.0
D	=	1.0	D	=	1.0
F	=	0.0	F	=	0.0

(\*) Weighted credit is awarded for honors and AP courses; however, students must finish an AP course in its entirety and take the AP exam to earn weighted credit.

\*\*\*) If a core course taken at a community college transfers to a university as a core course non-elective, then students will receive weighted credit. Core courses are English, Math, Social Studies, Science, and World Language. Please refer to [www.aztransfer.com](http://www.aztransfer.com) for a full list of courses and their transfer status.

## Class Ranking

A student's rank in class is required by colleges and universities on transcripts submitted for entrance evaluation. To be considered in the class rank process, a student must be enrolled in CGUHSD for one (1) full academic school year. Class rank shall be determined as follows:

- Accumulation of total grade points for high school class rankings begins with the ninth (9th) grade. A student's cumulative Grade Point Average (GPA) is calculated by dividing the student's accrued course grade points by the number of course units the student has taken to the date of the computation.
  - CGUHSD has a math articulation agreement with any school district for specific high school level courses taken in 7th and 8th grade (This should be reflected in the student's transcript). These courses will count toward a student's graduation credit requirements but will not factor into a student's Grade Point Average (GPA).
- Class ranking will be determined each semester after the completion of one (1) semester in the district and after each subsequent semester.
  - Computation of the graduating class rankings will be performed after posting the first (1st) semester grades of the student's senior year.

## Valedictorian & Salutatorian

Students are selected for honors, including Valedictorian and Salutatorian, using the following criteria:

1. All classes taken by the student are used to compute class rank, including all courses taken at other institutions,
2. All students in a grade or class are included, and
3. Students must graduate with their assigned cohort to be eligible for Valedictorian and Salutatorian honors.

### Valedictorian

The student with the highest rank in the graduating class based on the student's weighted Grade Point Average (GPA).

### Salutatorian

The student with the second highest rank in the graduating class based on the student's weighted Grade Point Average (GPA).

## National Honor Society (NHS)

A junior who has a minimum Grade Point Average (GPA) of 3.5 and service points is eligible for faculty screening for NHS. The four (4) qualifications are: Scholarship, Service, Leadership, and Character.

## Regulation Update – Transfer Credits

Students who plan to graduate from a Casa Grande Union High School District high school will be held responsible for

CGUHSD graduation credits. All coursework completed outside of CGUHSD will be evaluated to determine if credit will be awarded. Credits gained from an outside institution must be turned in prior to the end of the CGUHSD semester.

**Transfer Students** – Acceptance of transfer credits from sources outside the Casa Grande Union High School District is not automatic. Coursework completed outside the district will be evaluated to determine whether elective or core credit will be awarded. Please refer to policy JFABC Admission of Transfer Student (Academic Transfer Credits). Following a transfer, the receiving school will give the student a list showing which credits were accepted as core subject credits and which were accepted as credits for electives. Within 10 days of receiving this list, a student may request to take an exam for any course accepted as an elective. If the student earns a score that demonstrates proficiency, the school will accept the transferred credit as core credit.

Transfer students who plan to graduate from a CGUHSD high school will be held responsible for district graduation requirements. In addition, students must earn at least two (2) credits from one of the CGUHSD high schools and be enrolled in the school granting the diploma, for the entire semester before graduation.

**Competency (CTAN) Tests** – Students may have to take a competency test to earn core credit from another educational institution. If the educational institution is not accredited by one of our approved accrediting agencies below, students will have to pass a District CTAN to receive core credit. Otherwise, elective credit will be issued.

Students may request competency exams in the areas of English, Math, Science, and Social Studies subject to availability. Weighted credit will not be provided for any competency exam. Students must earn a minimum of 70% to receive credit for the course. Students will receive the grade designation of Pass or Fail. If a passing percentage ( $\geq 70\%$ ) is obtained, the student will receive credit. Students may **NOT** take for credit recovery or for having failed a course. Students may not take a CTAN to test out of a class they are currently enrolled in.

**Online Institution Transfer of Credits** - Core credits from an online program can be used to meet CGUHSD graduation requirements if they meet the following criteria:

- The online program **MUST** be accredited and affiliated with an Arizona public school system.
- Out-of-state online credits **MUST** come from an accredited program.
- Schools in the Casa Grande Union High School District will accept credits earned for successful completion of a course in a core subject at a non-district school if the following conditions are met:
  - The course or a similar course is offered in the district curriculum.
  - The course was provided by a school that is fully accredited (excluding special purpose and distance learning designation) by one (1) of the following accrediting agencies:
    - ❖ Cognia formally known as AdvanceEd (2019)
    - ❖ New England Association of Schools and Colleges
    - ❖ Southern Association of Schools and Colleges
    - ❖ Northwest Association of Schools and Colleges
    - ❖ Middle States Association of Schools and Colleges
    - ❖ Western Association of Schools and Colleges
    - ❖ National Catholic Educational Association
    - ❖ National Lutheran School Accreditation
    - ❖ Christian Schools International
    - ❖ National Council of Private Schools Accreditation Agency
    - ❖ Department of Defense Education Accreditation
    - ❖ As approved by the district school board on May 4, 2021, all online, computer-based or distance learning designated courses will be transferred in CGUHSD schools from all Arizona Department of Education accredited online institutions, beginning in FY2021-22.

A course proved by a school that has received special purpose designation will be accepted if the district has evaluated the school and determined that its curriculum and instruction program is equal to that of schools fully accredited by the foregoing agencies.

### Half-Day Student Requirements

Students must be enrolled for four (4) periods to meet the half-day requirements. Although it is not recommended, seniors who are interested in a shortened schedule must fulfill the following requirements:

1. have a GPA of at least 2.0,
2. have nineteen (18) credits at the beginning of Semester 1
3. have parental/guardian permission, and
4. must be enrolled for a minimum of four (4) periods on a CGUHSD campus, which may include a zero (0) period class.

**Note:** CAVIT classes and CAC Concurrent courses 101-102 may not count toward the four (4) period requirement.

### Final Exams

**All students** are required to take end-of-course exams. **Early final exams are not allowed.** If the student is absent for final exams, the student will have re-takes later **ONLY** if the absence is for the following reasons: medical, court, or bereavement. Students will receive a grade of zero on their final exam for non-attendance during final exams. Once the final exam has been taken and graded, that grade will replace the zero and the student's overall grade will be recalculated. All approved retakes must be scheduled and taken within two (2) weeks upon their return the following semester.

### Summer School

CGUHSD may provide an opportunity for students to attend summer school at a cost to be determined by the district.

## COUNSELING/GUIDANCE SERVICES

Counseling/Guidance Services are designed to serve individual students' needs in preparation for academic schedules, long-range school programs, vocational or college planning, course adjustments, and personal matters. They provide a myriad of services to students and are often the best initial contact to resolve issues and concerns. Their services are related to academic, vocational, and personal issues, and may include:

- counseling students individually or in groups,
- consulting with teachers, parents/guardians, and administrators,
- moderating parent-teacher conferences,
- helping teachers with classroom concerns
- providing classroom guidance activities,
- providing crisis intervention services,
- assisting in the development of positive self-concept,
- helping students learn to make good decisions,
- connecting parents/guardians and students with school and community resources,
- developing career awareness,
- facilitating transitions between middle/high school levels,
- communicating with parents/guardians about program opportunities for their students,
- identifying academic remediation or acceleration needs, and
- recognizing students for academic accomplishment.

### Educational Action Plan:

An [ECAP](#) reflects a student's current plan of coursework, career aspirations, and extended learning opportunities to develop the student's individual academic, career goals, and postsecondary plans (AZ Department of Education). An ECAP ensures that students are on the right path for their chosen career and are choosing the right classes and opportunities to prepare them for life after graduation. Students can update their ECAP each year by exploring career opportunities, building their skill set, and learning about various resources that are at their disposal.

### Schedule Changes

Communication will be published regarding schedule changes and sent to students and parents/guardians. Once the window

closes, all student schedules will remain unless leveling of course loads are required. No schedule changes will be honored.

### Confidentiality

There are four instances in which a counselor and/or teacher is legally bound to inform a parent/guardian and/or authority with information given during a “confidential” counseling session when a student indicates he/she:

- is going to physically harm himself/herself or jeopardize his/her life,
- is going to physically harm or jeopardize another’s life or has knowledge that another’s well-being is threatened,
- is being physically, sexually, and/or emotionally abused; and/or
- has committed a felony (i.e. selling drugs, stealing a car, etc.).

## DRESS FOR SUCCESS POLICY

(REF: BOARD POLICY - JIC © STUDENT CONDUCT, JICA © STUDENT DRESS, JICA-R ©)

CGUHSD schools’ pride themselves on providing a safe, orderly, and respectful environment in which students are challenged to achieve high academic levels and demonstrate the essence of good character and good citizenship. The expectation is that every student and staff member will take pride in our schools and our community. A student shall not prevent a teacher from teaching or prevent another student from learning and shall not engage in any type of inappropriate behavior that disrupts one’s own education or the education of others.

The faculty and administration of CGUHSD recognize the rights of students to express their individuality through attire. They also recognize the rights and responsibilities of a parent/guardian to determine the standards of dress for their student. However, Arizona law and district policy provide a safe, positive school campus that is conducive to learning. Appropriate dress is critical to this effort. School pride, morale, and image are influenced by the general appearance of students.

Students and their parent/guardian are responsible for the awareness of the CGUHSD dress code and must conform to these requirements. The school administration retains the final discretion to determine whether the garment or accessory meets the dress code. If a student or parent/guardian has any questions whether specific attire or accessories are compliant with the dress code, they must contact an administrator prior to wearing such attire or accessories to ensure compliance.

As part of the dress code, students may not wear clothing that causes annoyance, disrupts, agitates, interrupts, or interferes with others who are on the school premises for the lawful purpose of pursuing or providing a public education. CGUHSD students should dress modestly and appropriately for school. **Students are NOT allowed to wear:**

- items that interfere with schoolwork or disrupt the educational program
- anything that is contrary to district policy and procedures
- items with tobacco, alcohol, drugs, race, gambling, obscenities, nudity, weapons, profanity, discriminatory connotations, or sexual connotations
- items that present a hazard to the health or safety of the student or others in the school and/or hinders performance in a classroom, such as follows:
  - crop tops, strapless tops, spaghetti strap tops, halter tops, tank tops
  - exposed underwear
  - bandanas of any color, size, or shape may not be carried or displayed
  - \*no hats, hoods, head scarves, skull caps, beanies, hairnets, do-rags, or bandanas
  - slippers
  - bare feet (shoes or sandals must be worn at all times on campus).

At the discretion of a staff member, students may be directed to wear school-provided shirts and/or shorts if the student’s clothing is deemed inappropriate. Refusal to do so could result in disciplinary action. School administrators will make the final decision regarding the appropriateness of a student's appearance.

## STUDENT DISCIPLINE

### Disciplinary Action Chart

The following matrix is used to guide disciplinary action: [Discipline Matrix](#).

### Discipline Philosophy & Jurisdiction

CGUHSD prioritizes giving each student the opportunity to learn in a safe and stimulating environment. For this reason, the Governing Board accepts the responsibility for identifying those behaviors, which, if allowed to exist without restrictions and appropriate disciplinary action, would interfere with individual and group learning and interfere with the orderly conduct of our public schools. Furthermore, the Governing Board charges the faculty/staff with the responsibility for enforcing and maintaining an appropriate learning and behavioral environment. According to Arizona law, the Governing Board also has the authority to discipline students for disorderly conduct on their way to and from school (A.R.S. 15-341 A13). The Governing Board gives this responsibility to the local school administration and gives the school administration the authority to discipline students for disorderly conduct and other offenses at school-sponsored activities.

### Authority to Suspend

(REF: BOARD POLICY - JKD © STUDENT SUSPENSION)

The authority to suspend a student, for up to and including nine (9) days after an informal hearing is held, rests with the Superintendent or designee. If a danger to students or staff members is present, the principal may immediately remove the student from the school. The school will contact parents/guardians prior to removing the student from campus and will communicate with parents/guardians for a follow-up hearing as soon as practical. The person imposing it shall report each suspension to the Governing Board within five (5) days (A.R.S. 15-843).

### Short-Term Suspension Procedures

(REF: BOARD POLICY - JKD © STUDENT SUSPENSION)

#### Suspension for Ten (10) Days or Less:

- A. Step 1:** The student will receive notice, written or oral, of the reason for suspension and the evidence the school authorities have of the alleged misconduct.
  1. After having received notice, the student will be asked for an explanation of the situation.
  2. The authorized district personnel shall make reasonable efforts to verify facts and statements prior to making a judgment.
- B. Step 2: Following Step 1:**
  1. Provided that a written record of the action taken is kept on file, authorized district personnel may:
    - a. Suspend the student for up to ten (10) days.
    - b. Choose other disciplinary alternatives.
    - c. Exonerate the student.
    - d. Suspend the student for ten (10) days pending a recommendation that the student be given a long-term suspension or expulsion or both.
  2. **When suspension is involved:**
    - a. A parent/guardian must be notified before the student is allowed to leave campus. If no parent/guardian contact can be made, the student may be isolated until dismissal time and then given a written message to the parent/guardian.

- b. A letter to the parents/guardians will be written within a reasonable time to explain the terms (including the possibility that a long-term suspension and/or expulsion is being recommended) and reasons for the suspension and to request a meeting to solicit their help.
3. No appeal is available from a short-term suspension.

## Long-Term Suspension/Expulsion Procedures

(REF: BOARD POLICY - JKD © STUDENT SUSPENSION)

### Suspension for Over Ten Days:

- A. **Step 3:** If the offense is one that could result in a suspension of over ten (10) days, in addition to Step 1 and Step 2, a formal hearing will be arranged and conducted by a hearing officer or by the Superintendent.
- B. **Step 4:** A formal letter to the responsible parent/guardian will be mailed by certified mail with return receipt requested or delivered by hand (with an adult witness present) at least five (5) working days prior to the formal hearing. A copy of this letter will remain on file, and the letter should contain the following information:
  1. The charges and the rule or regulation violated.
  2. The extent of the punishment to be considered.
  3. The date, time, and place of the formal hearing.
  4. A designation of the district's witnesses.
  5. That the student may present witnesses.
  6. That the student may be represented by counsel at the student's expense.
  7. If a hearing officer has been designated, the name of the hearing officer.
- C. **Step 5:** A formal hearing will be held, during which the student will be informed of the following:
  1. Nothing in these procedures shall be construed to prevent the students who are subject to the action and their parents/guardians and legal counsel from attending any executive (closed) session pertaining to the proposed disciplinary action, or from having access to the minutes and testimony of such session or from recording such a session at the parent's/guardian's expense.
  2. The student is entitled to a statement of the charges and the rule or regulation violated.
  3. The student may be represented by counsel, without bias to the student.
  4. The student may present witnesses.
  5. The student or counsel may cross-examine witnesses presented by the district.
  6. The burden of proof of the offense lies with the district.
  7. Either the hearing must be recorded on tape, or an official record must be kept in some other appropriate manner. In addition, parents/guardians are to be allowed to tape-record the hearing at their own expense.
  8. The district has the right to cross-examine witnesses and may be represented by an attorney.
- D. **Step 6:** The decision and appeal procedure, if applicable, upon the conclusion of the hearing will be as follows:
  1. Upon the conclusion of a hearing by a hearing officer in which a decision of long-term suspension is made, the decision may be appealed to the Governing Board. To arrange such an appeal, the parents/guardians of the suspended student or the student must deliver to the Superintendent a letter directed to the Board within five (5) days after receiving written notice of the long-term suspension. The letter must describe in detail any objections to the hearing, or the decision rendered.
  2. The appeal to the Governing Board will be on the record of the hearing held by the hearing officer. If the

Governing Board determines that the student was not afforded due process rights or that this policy was not followed in all substantive respects, the student shall be given another hearing. If the Governing Board determines that the punishment was not reasonable, they may modify the punishment.

3. The decision of the Governing Board is final.

## Suspension and Expulsion of Students with Disabilities

Students placed in Special Education programs will be expected to abide by the rules on conduct established for all students. When misconduct occurs, procedures for such suspensions and expulsions shall meet the requirements and regulations of IDEA and state statutes.

## Jurisdiction During After-School Hours

CGUHSD may pursue disciplinary action against students for trespassing violations and acts of vandalism to district/school facilities and property when occurring during after-school hours, weekends, holiday breaks, and summer break. Restitution will be sought for property damage and loss.

## Off-Campus Misconduct

The Student Disciplinary Code and all penalties may apply to conduct off school grounds (A.R.S. 15-341 A13) that may endanger the health or safety of students within the school setting or substantially interfere with the educational process. Examples of off-campus misconduct which may be subject to discipline include, but are not limited to illegal activity, threats of violence, alcohol possession/use, fighting, hazing, drug possession/use or sales, firearm possession, violent offenses, robbery, burglary, arson, sexual assaults, and social media. Students may be subject to the full range of disciplinary penalties for off-campus misconduct, including but not limited to suspensions, expulsions, detentions, and reassignment of a class schedule, as well as removal from participation in extracurricular activities such as interscholastic sports teams, club sports, student government positions, class trips, class proms, senior farewell activities, and graduation.

## Title IX Sexual Harassment ([ACAA](#))

Title IX of the Federal Education Amendments Act protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. The district does not discriminate based on sex and is required by Title IX not to discriminate in such a manner. The district adheres to all conditions established by Title IX by recognizing the right of every student who attends school in the district and every employee who works in the district to do so without the fear of sexual harassment.

## Harassment

**(REF: BOARD POLICY - JICK ©STUDENT BULLYING / HARASSMENT / INTIMIDATION)**

CGUHSD is committed to providing all students and staff with the right to learn in a safe and orderly school environment in which all members of the school community are treated with respect. This is your campus. Campus safety is a shared responsibility. If you become aware of a situation of someone who wants to cause harm to themselves or others there is an obligation to tell.

Threatening or intimidating with the intent to verbally or physically terrify, threaten, or intimidate another person will not be tolerated in our schools. Substantive threats will be referred to a threat assessment team. Students have the right and responsibility to report harassment, bullying, cyberbullying, hazing, or threat experiences, and to have that report processed by a knowledgeable staff member such as a counselor or administrator. All reported incidents of bullying or harassment need to be reported to an adult and will promptly be addressed by the principal or the principal's designee. Students found to be involved in these activities are subject to disciplinary consequences that may include warning, censure, suspension, or expulsion from school, depending on the severity of the incidences and/or frequency of offenses. Counseling, mediation, community service, and other programs where the student takes responsibility for the action may be used as alternative consequences.

Harassment or bullying is conduct that interferes with or limits the ability of an individual to participate in or benefit from the CGUHSD's programs or activities. The conduct includes offenses that are oral, written, graphic, electronic, or physical. Defamation or intimidation of another student or staff member through gestures, verbal, written, or electronic means is prohibited.

Students who use electronic information and communication devices such as email, instant messaging, cell phones, chat rooms, social networks (such as YouTube, Twitter, Facebook, Instagram, Snapchat, etc.), blogs, or text messaging to threaten, defame, or intimidate other students or staff, or for 'sexting' or recording videos of fights, may be subject to student disciplinary procedures. In addition, the police may be contacted.

Bullying is any behavior that subjects a student to insults, taunts, or challenges that are likely to intimidate or provoke a violent or disorderly response from a student being treated in this manner. Harassment categories include, but are not limited to, gender, race, religion, handicapping conditions, or sexual orientation.

Harassment or discrimination against individuals who are immigrants, who speak another language, or speak with a foreign accent is also a violation of this policy.

## Hazing

**(REF: BOARD POLICY - JICFA © HAZING; A.R.S. 15-2301)**

Hazing is defined as any intentional, knowing, or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

1. The act was committed in connection with an initiation into an affiliation with and/or the maintenance of membership in any organization that is affiliated with the school;
2. The act contributes to a substantial risk of potential physical injury, mental harm, or degradation, or causes physical injury, mental harm, or personal degradation.

Organizations who violate the hazing policy may forfeit their right to conduct operations on the campus.

Threats include any form of verbal or written statements or any other behavior that suggests that a person may do harm to another person or property.

Students who threaten persons or property may be referred for expulsion or long-term suspension unless the responsible administrator and parent/guardian agree that the student will participate in programs such as mediation, community service, restitution, alternative education, or other programs in which the student takes responsibility for the consequences of the threat.

Threats against the life or health of another person are serious offenses and are subject to immediate removal from the school environment and investigation into the potential seriousness of the threat. Students who threaten the life of another student or adult are subject to expulsion from school. In cases of threats perceived to be serious by the Threat Management Team, the parent/guardian has the option of a psychological evaluation conducted by a trained school psychologist to evaluate and explore possible contributing factors in a student's aggressive behavior.

Any staff member who gets directly involved in, knowingly permits, authorizes, or condones any form of harassment, bullying, hazing, or threats of harm is subject to disciplinary action by the administration or Board and reported to law enforcement.

Any incidents or complaints are to be reported to the Discipline Office which will then be investigated by the administration

for possible disciplinary actions described in the discipline matrix, and the police may be contacted.

### **Drug-Free Zone**

Drug-Free Zone includes off-campus consumption prior to being on district property (REF: A.R.S. 15-341 A13), at a district function, or at a school-sponsored activity. It also includes use, possession, or distribution of drug paraphernalia, imitations of non-prescribed drugs, narcotics, and other noxious substances. The sale and/or distribution of any unauthorized controlled substances to other students at school, school activities, or even on district property or within the defined bounds of the drug-free school zone shall result in a recommendation for an expulsion hearing. This includes use, possession, distribution, or sale of tobacco, simulated tobacco products, (i.e. hookah pens, electronic cigarettes, etc.) alcohol, drugs, controlled substances, narcotics, paraphernalia, any non-prescribed drug (i.e. steroids, creatine, supplements, designer drugs, synthetic drugs, or simulated drugs, etc.) or any other illegal contraband on district property and/or at school-sponsored activities and field trips.

### **Weapons/Deadly Instruments**

A student will be recommended for expulsion if using, displaying, or carrying any dangerous instruments or deadly weapons or facsimiles on district property or at district functions. This also applies to students who assist others in displaying, carrying, or possessing dangerous instruments or deadly weapons.

### **Mandatory Reporting of Criminal Activity to Law Enforcement**

(REF: A.R.S. 13-3620)

Arizona state statutes require schools and school employees to report criminal activity to local law enforcement and report incidences of child abuse, neglect, and crimes against children to local law enforcement and the Department of Child Safety. Schools must report threats or rumors of threats against schools, students, and school personnel. Schools must also report all incidents of non-accidental injury which might occur during altercations at school.

### **Reporting Child Abuse**

(REF: A.R.S. 13-3620) **Mandatory Reporting Law**

A.R.S. 13-3620 requires school personnel and other persons having responsibility for the care or treatment of children, whose observation or examination of any child discloses reasonable grounds to believe that a child has been neglected or abused, are mandated to report the matter immediately. The statute also states that anyone who reports a case of suspected child abuse is immune from liability in any civil or criminal proceeding resulting from the report unless the reporter has been charged with or is suspected of committing the abuse or is acting with malice. If school personnel fail to report known or suspected child abuse or neglect, then they have committed a misdemeanor that is punishable under Arizona state law.

### **Interviews, Interrogations, Searches, Arrests**

#### **Department of Child Safety**

Interviews by the Department of Child Safety who are investigating abuse/neglect may be conducted at district schools. The parent/guardian of a student who is the subject of an investigation or a sibling of the subject, need not be given notice of such interviews. School officials may be present at the interview only if it is necessary for the investigation.

#### **Law Enforcement Officers**

In cases where students are interviewed for criminal investigations by law enforcement officers, the building administrator

shall make reasonable efforts to notify the student's parent/guardian of the interview, unless the law enforcement officer deems that notification would interfere with a criminal investigation. If the law enforcement officer refuses to allow notification prior to the student interview, the officer or a representative of the district will notify the student's parent/guardian within a reasonable time after the interview. A school official may be present during the interview, unless directed otherwise by the law enforcement officer. If a school representative was denied the right to be present during the interview, this fact shall be made known to the student's parent/guardian. If a student is arrested or taken into temporary custody on district property during the school day, the school no longer has jurisdiction over the student. The building administrator will notify the parent/guardian of the arrest or will make reasonable effort to notify the parent/guardian when a student is arrested or when a student is taken into temporary custody and identify the law enforcement agency involved.

## School Administration

(REF: BOARD POLICY - JIH © STUDENT INTERROGATIONS, SEARCHES, AND ARRESTS)

### Interviews

School officials may question students regarding matters incident to school without limitation. The parent will be contacted if a student interviewed is then subject to discipline for a serious offense.

### Searches

School officials have the right to search and seize property, including school property temporarily assigned to students, when there is reason to believe that some material or matter detrimental to the health, safety, and welfare of the student(s) exists. Disrobing of a student is overly intrusive for purposes of most student searches and is improper without express concurrence from school district counsel. Items provided by the district for storage (i.e. lockers, desks, etc.) or personal items are provided as a convenience to the student but remain the property of the school and are subject to its control and supervision. Students have no reasonable expectancy of privacy, and lockers, desks, storage areas, etc., may be inspected at any time with or without reason, or with or without notice, by school personnel.

### Automobile Searches

(REF: BOARD POLICY - JLIE © STUDENT AUTOMOBILE USE AND PARKING, JLIE-R ©)

Students are permitted to park on school premises as a matter of privilege, not right. The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school authority has reason to believe illegal or unauthorized materials may be contained inside. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

### Property Searches

(REF: BOARD POLICY - JIH © STUDENT INTERROGATIONS, SEARCHES, AND ARRESTS)

Student lockers, desks, school textbooks, and library books are the property of the school district and remain under its control. However, students are expected to assume full responsibility for the security and safekeeping of their lockers, desks, books, and other property and equipment. Inspections of lockers and desks may be conducted by school authorities at any time without a search warrant or student consent. This may include the use of canine searches of lockers.

Personal items that are not considered necessary for the student's educational experience should be left at home, as the school cannot assume responsibility for these items.

CGUHSD is not responsible for the safekeeping of items nor does the district assume responsibility for lost or stolen property.

**Any personal item (i.e. electronic devices) which causes a disturbance or interferes with learning will be taken and only returned to a parent/guardian.** When there is reasonable suspicion to believe that some material or matter may be detrimental to the health, safety, and welfare of others, a search may be conducted of personal property (including backpacks and cell phones), clothing pockets, and vehicles parked on CGUHSD property.

The use of school property after hours for skateboarding, rollerblading, bicycling, or any other unsanctioned activity is

prohibited. School personnel reserve the right to use canines when appropriate. CGUHSD reserves the right to search vehicles on school property.

### **Seizure of Illegal Materials**

If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition if applicable or destroyed through district process.

## **STUDENT SUSPENSION/EXPULSION/DUE PROCESS RIGHTS**

(REF: BOARD POLICY - JKD © STUDENT SUSPENSION; JKE © EXPULSION OF STUDENTS)

### **Due Process**

(REF: BOARD POLICY - JKD © STUDENT SUSPENSION, JKE © EXPULSION OF STUDENTS)

The purpose of this statement is to assure due process rights for students involved in disciplinary action in the CGUHSD, as dictated by the United States Constitution as interpreted by the court. Every student is entitled to due process before he/she may be suspended or expelled. In disciplinary cases, students are entitled to:

- be informed of the accusations against them,
- have an opportunity to accept or deny the accusations,
- have the factual basis for accusations explained to them, and
- have a chance to present an alternative factual position if the accusations are denied.

Any student whose behavior while on campus is alleged to be in violation of the school's rules may be referred to the local school administration. In every incident, a written report of the alleged violation must be prepared by the person initiating the referral. The report must include the time, place, observed behavior, names of witnesses, description of violation, etc., and be delivered to an administrator within five (5) school days of the referring person's first knowledge of the alleged violation.

The student may be permanently removed from a teacher's class, per teacher's request and approval from a Site Placement Review Committee. The student will then be reassigned to another teacher's classroom (REF: A.R.S. 15-841 J). The Board, at its sole discretion, may modify the one-year duration of such disciplinary action on a case-by-case basis.

For student concerns, complaints, and grievances, a Student Incident Form may be picked up from the Discipline Office. The decision and appeal procedure, if applicable, upon the conclusion of the hearing will be as follows:

- Upon the conclusion of a hearing by a hearing officer in which a decision of long-term suspension is made, the decision may be appealed to the Board. To arrange such an appeal, the parents/guardians of the suspended student or the student must deliver to the Superintendent a letter directed to the Governing Board within five (5) days after receiving written notice of the long-term suspension. The letter must describe in detail any objections to the hearing, or the decision rendered.
- The appeal to the Governing Board will be on the record of the hearing held by the hearing officer. If the Governing Board determines that the student was not afforded due process rights or that this policy was not followed in all substantive respects, the student shall be given another hearing. If the Governing Board determines that the punishment was not reasonable, they may modify the punishment.

The decision of the Governing Board is final.

Community service, groundskeeping and litter control, and other appropriate activities may be performed on school grounds or at any other designated area.

Each school shall establish a placement review committee to determine the placement of a pupil if a teacher refuses to readmit the pupil to the teacher's class and to make recommendations to the Board regarding the readmission of expelled pupils. The process for determining the placement of a pupil in a new class or replacement in the existing class shall not exceed three (3) business days from the date the pupil was first removed from the existing class. The principal shall not return a pupil to the classroom from which the pupil was removed without the teacher's consent unless the committee determines that the return of the pupil to that classroom is the best or only practicable alternative.

The committee shall be composed of two (2) teachers who are employed at the school and who are selected by the faculty members of the school and one (1) administrator who is employed by the school and who is selected by the principal. The faculty members of the school shall select a third (3rd) teacher to serve as an alternate member of the committee. If the teacher who refuses to readmit the pupil is a member of the committee, that teacher shall be excused from participating in the determination of the pupil's readmission and the alternate teacher member shall replace that teacher on the committee until the conclusion of all matters relating to that pupil's readmission.
