

ACT Benchmark Testing

Tuesday, January 24th 2023

ALL INOVA Students

On Tuesday January 24th, 2023 All INOVA students grades 9-12 at INOVA will be taking their second benchmark for the school year. Below is the bell schedule for Tuesday. ***Please be aware students will NOT be permitted to leave once testing has begun.*** For students who are unable to make it, there will be a testing make-up date with more information coming later.

Attention All CAVIT students

If you have a morning CAVIT class, students are excused from their classes to do the benchmark testing. Morning CAVIT students are to report to INOVA, and like every other student there will be designated rooms students will be assigned to, to complete ACT Testing based off grade level.

INOVA Afternoon classes are expected to be attended by students once ACT testing is completed. You will be given the opportunity to remain at INOVA all day if you need to complete coursework at INOVA, we ask that you bring your own lunches, snacks, and beverages if that is a decision that you determine necessary.

On the 24th students will be taking the PreACT (9th & 10th graders) or the ACT (11th AND 12th graders). These tests are designed to align with the ACT Standardized Test that students take their junior year. Data from this benchmark test is essential for schools to gauge the needs of our students. Students will be tested in Math, Science, Reading, and Writing. Based on their results, INOVA will be able to better service the needs of your student(s) and help them reach their academic potential. Students will be monitored for their growth throughout the school year, and for their growth in these tested areas.

Test taking strategies that parents can implement at home to help their student:

- Eat a healthy dinner by no later than 7pm.
- Have your student charge their cell phone in a room other than their bedroom.
- Encourage your student to go to bed before 10 pm if possible.
- Eat a and hearty breakfast in the morning and bring a snack plus water to INOVA.
- Wake your student up an hour before they leave, to avoid rushing in the morning.

Suggested Arrival time is 8:10 am - 8:20 am and Testing will be conducted from 8:25 am – 12 pm. After that the expectation is that students resume starting in their 4th hour class and finish in 6th hour unless further implications prevents that from occurring which would need to be communicated with INOVA attendance clerk @ dmartinez@cguhsd.org. Please see agenda below for further details.

INOVA ACT Benchmark Agenda

EVERY STUDENT REQUIRED IN ATTENDANCE @ INOVA

Date-January 24th, 2023

Time- 8:10-12pm

Location @ INOVA

1362 N Casa Grande Avenue
