Mrs. Danzy's News and Notes

Now that we have had a chance to get the school year off and running, We can all take a collective deep breath. I am so impressed with the students' and staff's positive outlook and the way that everyone is approaching this year with a positive growth-mindset. Our INOVA team is ready to support you in your journey this year. Please take some time to read the brief introductions of the team located at our INOVA offices.

Please Allow Us to Introduce Ourselves

My name is Andrea Teran and I am the Administrator for INOVA. I have been education for over 20 years. I have had the pleasure of working with students from the Coolidge Unified District, Stanfield School, and Toltec Elementary District. I started with CGUHSD in 2016 working with credit recovery and online students. I also am a CGUHS alumni!!

My name is Alexandra Enamorado, Administrative assistant for INOVA. I was born in Guatemala but was raised in Southern California. I love to cook, dance, and listen to music, but most of all spending time with my kids and family and friends!

My name is Corina Mendoza. I am the social studies teacher for INVOA. I am a student myself at Arizona State University. I am currently enrolled in the Master program for Secondary Education with certification concentration history. I look forward with working with the youth in our community

My name is Destinee I am the Receptionist/INOVA Attendance Clerk at CGUHSD. Born and raised in Casa Grande, Arizona. During my free time I like to bake and spend time with family and friends. I look forward to assisting you in any way possible.

Counselor's Corner

Hello everyone!

My name is Tommie Clardy III, and I am a Tucson, Arizona Wildcat native, born and raised! I am extremely blessed to announce that I will be embarking on my sixth year in Education and as INOVA's very own Success Coach Counselor this is my first year being a part of Casa Grande Union High School District. I am committed to continuing my personal passion in directly promoting students' success not only within the bounds of the classroom but transitioning those successes outside the classroom setting. One thing about me that you will learn to know is I strive to bring the values I learned from growing up in the barbershop atmosphere to the education world while I am here to be of service, I am also here to make school cool again.

New Curriculum Resource

Edmentum is being used as the course curriculum for students attending INOVA this school year. We are using Edmentum courseware and Edmentum EdOptions. Edmentum courseware will be used by our INOVA teachers in Science and our Social Studies courses. Edmentum EdOptions is being used to provide our students elective options with Edmentum teachers.

Grading Shift

This year we will no longer be issuing grades by quarter and assigning 20% to final exams. Students will have the opportunity to demonstrate mastery throughout the semester through quizzes, tests, projects, labs, papers, etc. and teachers will determine the relative weighting of assignments. Mastery of learning will be the bulk of the course grade.
