Dear CGUHS AP Parent/Student,

Taking the Advanced Placement (AP) exams is an important part of all AP courses. Casa Grande Union High School (CGUHS) desires that all students take AP exams for the AP classes they have taken. Scoring well on an AP exam can often earn a student college credit for their high school class, saving a significant amount on tuition.

For the 2022 AP exams, CGUHS students will pay through our Bookstore either online at <https://az-casagrande.intouchrecepting.com/> or directly in the Bookstore. This year, each AP exam costs \$96. Students who qualify for Free/Reduced Meals for this year will not have a cost to take the exam. CGUHS desires that every student be able to take their AP exams. Students who require financial assistance should contact Mr. Greg Anderson, Assistant Principal, [ganderson@cguhsd.org](mailto:ganderson@cguhsd.org), in the B Building to learn more.

Weighted credit is awarded for Honors and AP courses; however, students must finish an AP course in its entirety and take the AP exam to earn weighted credit.
