

**CASA GRANDE UNION HIGH SCHOOL**  
CAC-Dual Enrollment and Honors Program Commitment

Casa Grande Union High School is pleased to offer Honors and Dual Enrollment classes, which are designed for students who desire a more rigorous curriculum to reach their full academic potential. These classes require advanced research, reading, writing and thinking skills, as they prepare students to engage in college level work during their high school career. The workload is significantly greater than the traditional classes due to the increased expectations. Placement in Honors or Dual Enrollment classes will be based on the student's academic performance and work ethic as well as teacher recommendation.

Please return this completed form along with your completed scheduling sheet to your counselor.
