Dear Parents and Students of the Class of 2021,

Congratulations on becoming members of the upcoming graduating class from Casa Grande Union High School. As you know, it will be a year of hard work but hopefully filled with joy and wonderful memories. The first step in this process will be to have your yearbook portraits taken on campus.

Lifetouch will be on campus 11/30 and 12/1 taking photos during English classes. Online students may come to campus between 3 pm & 4 pm those days. Location L150/151

Here's what to expect:

- Poses in your own clothing
- Poses in **cap and gown for yearbook**
- You will receive proof sheets to view & order pictures in the weeks following picture day

Just a few reminders:

You must have your yearbook picture taken by Lifetouch for yearbook purposes. **A cap and gown WILL BE PROVIDED for you to wear.** (Lifetouch will steam clean them between use.) **Every senior will wear the blue cap (school color) and gown for the Yearbook photo. The cap must be worn by both male and female. No exceptions. No cap AND gown=NO yearbook photo.**

- Ladies, please wear a nice dress or blouse following the guidelines for appropriate dress in the handbook.
- Gentlemen, please wear a nice shirt, if possible, a dress shirt and tie.

Sincerely,

Casa Grande Union High School in partnership with Lifetouch
