

## Lean On Me AZ:

How Communities Can Strengthen Families to Prevent Child Adversity

**Monday, November 22, 2021**

10:00 AM – 11:00 AM

Virtual Webinar on Zoom

Presented by: Sandi Cimino

The Well-Made Bed, LLC

We may be mandated reporters, but can we also consider ourselves mandated supporters? Lean On Me AZ, a project of Prevent Child Abuse Arizona, is a movement to raise awareness about the factors that protect families from overwhelming stress, and offer strategies to help community members strengthen families in everyday ways.

In this session, we will share community-generated tools, messages, and ideas about how we, as individuals, can create a culture of family support.
