

Dear Parent/Guardian:

Due to the pandemic, we were able to provide all our students with free breakfast and lunch meals the last couple of years. As of July 1, 2022, we will no longer be able to provide free meals unless you fill out an application to determine if your child is eligible for free or reduced meals.

For the 2022-2023 school year, Casa Grande Union High School District offers healthy meals that our children need for learning. The price for breakfast is \$2.00 and lunch is \$3.00, however your child may qualify for free meals or reduced priced meals. Reduced price is \$0.30 for breakfast and \$0.40 for lunch.

We are asking that everyone please fill out a meal application this year. Not only can this help with students' meal fees, but this application can also benefit the school in many other ways including help with athletic fees, academic testing fees, college application fees, and discounts on internet services. The determination will be used for upcoming school meal benefits as well as qualify the student for Summer P-EBT.

Please use the link below to fill out and return the application by July 30, 2022. You can also fill out an application at the Success Day event.
