A note from the Superintendent...

Dear CGUHSD Parents, Community and Staff:

I would like to welcome everyone back from winter break and I hope all of you had a wonderful holiday season. As we begin a new decade in 2020, we are very excited to announce we are now leasing space at the district office to Brewer Companies to conduct their plumbing academies. Their intensive hands-on training is unique compared to traditional college programs and their related career paths. Brewer University selects individuals who are being considered for a limited opportunity to become a cadet within the Craftsman Academy, with the goal to train them for a career as an underground or top out specialist, installing water distribution systems, and drain waste & ventilation (DWV) installations. Upon completion, cadets will be given the opportunity to accept a full-time career with Brewer. The qualifications to be in the academy are a high school diploma or equivalent and a passion to learn and attend. Their academy fits right into our district's Workforce Development Initiative. We are very excited about this opportunity for our students who may be interested in a career in the workforce when they graduate from high school.

I hope your spring semester is off to a great start and I look forward to seeing you around the district in the future.

Sincerely,

*Steven C Bebee*

Steve Bebee

Lydia is in her 3<sup>rd</sup> year of the ECE program and is both an intern and a classroom aide. She has played every role in the childcare program and does every job to the best of her ability. This year, she prepares morning snacks and the preschoolers have had a lot of fun eating her star-spangled fruit kebabs on Veteran’s Day as well as her teddy bear toast treats. She is creative and knows kids learn best when they are active and having fun. Lydia has represented ECE at both FCCLA State and Nationals, winning gold medals in both competitions. She is interested in becoming a teacher and plans to start out her college experience at CAC, then transfer to a university to study elementary education.

**Daniel Wiles** is a Vista Grande High School student and son of Danny and Betty Wiles. Daniel was nominated by his Early Childhood Education teacher, Ms. Cassandra Yeo. Daniel has been in the Early Childhood program for three years and has always had a willing spirit and a good sense of humor. He has been the voice of reason at times and a willing handy man when needed. This year, as an intern, Daniel has really stepped up and taken to his leadership role. He supervises other students in making morning snacks every day and makes sure they adhere to food safety standards and clean up after themselves. He also oversees the beginning students as they fulfill their daily duties. As co-president for FCCLA, Daniel is working hard to grow the program and is taking his position seriously.

## Employee of the Month & Golden Ticket Program

In an effort to honor and appreciate our employees, an Employee Recognition Award Program was started to honor a selected group of employees each month. Employees are nominated through our Employee of the Month criteria and selected by our Recognition Committee to receive that honor. Selected Employees of the Month are invited to breakfast at The Big House Cafe with the Superintendent and are recognized at the monthly Governing Board meeting. We have also started the Golden Ticket recognition. These tickets are for district employees to recognize each other for any positive reason! The original Golden Ticket is given to the person being recognized and a copy is placed in the Golden Box at the site. Drawings for gift cards are held monthly by the Recognition Committee.
