

## **About This Award**

The **Future Voices Association Leadership Award** is about cultivating leadership and projecting it forward in one's life through continuing education, business relations, professional interactions and strategic social networking. This is a scholarship granted to a Senior of CG Union and Vista Grande High Schools and Mission Heights Preparatory High School current graduating class that is able to provide several examples of leadership experience in their lives to date. The applicants must also project how they would employ leadership techniques in their continuing education and career development.

## **The Birth of This Award**

The **Future Voices Association Leadership Award** is a projection of the Voices-2016 human-interest photography project created in 2016 by local businessperson Chuck Wright. The project focused on 12 Casa Grande citizens, who were between the ages of 20-45 years old. These twelve individuals all worked in Casa Grande and had a strong community service agenda in their resume. They were all selected because of their impact in our community but were not yet publicly identified community servants. These individuals were and still are providing their efforts in the community, under the radar of local public recognition. Creators and members of Voices-2016 endorse the principles of this scholarship and its foundation.
