Federal Programs Director

SEAN CASEY  
Student Services Director

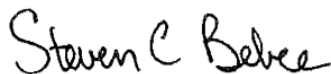

April 20, 2021

CGUHSD Parents and Guardians,

Yesterday, Governor Ducey lifted his mask mandate for K-12 schools. By lifting his executive order, he has now left the decision of wearing masks in schools up to the local school district. Part of Casa Grande Union High School District's mitigation plan to get students back on campus to learn in person on a full-time basis was built on both staff and students wearing masks while on our campuses. The CDC and Pinal County Health still recommend that masks be worn for the safety and well-being of all staff and students. As a district, we agree with these recommendations and we will continue to require masks to be worn by both students and staff for the remainder of the 2020-21 school year.

Thank you in advance for your cooperation and for keeping our campuses safe.

Sincerely,

Steve Bebee  
Superintendent
