September 2, 2020

Dear CGUHSD Parents, Guardians, Faculty and Staff:

I need to inform you that last night at our Governing Board meeting, the Board voted to officially begin the school year in our *Modified In-Person* model on Monday, September 28, 2020 as long as the Arizona Department of Health Services (ADHS) benchmarks for Pinal County are trending in the right direction. I want you to know that we will be ready to welcome back all students and staff to our campuses on that date.

Those students who have chosen to learn in the *Modified In-Person* model will begin their A/B rotation days, coming to campus to learn part-time and learning part-time virtually from home, on September 28<sup>th</sup>. Those students who chose to learn online only will continue in the model they have been since the beginning of the school year. I would like to thank our parents and guardians for registering your students and providing your insight on which of the two learning environments that you feel most comfortable with as we return to school. While we understand that the uncertainty of the time we are in can be challenging, we thank you for your patience and for your support of Casa Grande Union High School District.

I hope the beginning of the school year has been good for all of you and I personally look forward to seeing all the students and staff back in our schools again soon.

Sincerely,

Steve Bebee  
Superintendent
