## FAQ's

### ***What is the Arizona Extracurricular Activities Tax Credit Program?***

Arizona Revised Statute §43-1089.01 allows each individual state taxpayer to contribute up to \$200 per year to public schools in support of extracurricular activities and claim a dollar-for-dollar state tax credit. Married couples filing joint tax returns may contribute and claim a tax credit of up to \$400 per year. Those who are married and filing separately, as well as single taxpayers, each qualify for a \$200 maximum state tax credit.

### ***What is a tax credit?***

A tax credit will allow you to reduce the amount of your tax liability to the state. The amount you contribute is the amount you may claim as a state tax credit.

### ***What is the difference between a tax credit and a tax deduction?***

A tax credit is a dollar-for-dollar reduction in the actual tax owed. A tax deduction only reduces the total taxable income from which the tax owed is calculated.

### ***When can I contribute?***

Right now! All you need to do is fill out the tax credit contribution form and deliver or mail it with your contribution amount in the form of a check, money order or cashier's check. **Please do not mail cash.** Your contribution must be postmarked or delivered by April 15<sup>th</sup> to take advantage of the tax credit.

### ***Do I have to have children enrolled in school?***

No - Any household can donate toward extracurricular programs.

### ***Do I have to live within the District?***

No - Any individual who pays Arizona state tax can contribute.

### ***Do I have to donate a specific amount?***

No - We are happy to receive any amount. However, the credit is equal to the amount contributed with a maximum amount that cannot be exceeded; \$200 for an individual or \$400 on a joint return. You may donate up to your maximum in installments during the calendar year or donate it at one time.

### ***Can a taxpayer receive a refund of these credits?***

No. The credits may only be used to the extent they reduce a tax liability to zero. Any unused amounts may be carried forward for not more than five consecutive taxable years.
