**District and School site staff:** David Tague (NA Education Liaison) Christina Ogle (Project Director's Assistant), Gene Manual (JOM Advisor) Marilyn Gardner (Project Director), Rebecca Spallinger (CG-Assistant Principal), Melani Edwards(Director of Curriculum)

**Approval of Agenda** The agenda was unanimously approved as presented with no additions.

#### 1. Review of the Educational Status of Native American Students Attending CGUHSD

Presentation of the educational status of Native American students was presented by Melani Edwards and Marilyn Gardner. Questions and discussion ensued- no decision required. Marilyn agreed to look for appropriate attendance data that might be shared at a later date.

#### 2.Review of the Current Year Federal Indian Education Budget

Presentation of the current year Federal Indian Education Title IV budget presented by Marilyn Gardner. Questions and discussion followed- no decision required.

#### 3. New Committee Member Requirement– Teacher: Gene Manuel Provided suggested teacher candidates.

Marilyn Gardner shared the new requirement to have a district teacher as a member of the NAPAC which is a change initiated by the Federal Office of Indian Education. This member would be a voting member on the committee. Gene Manual will forward some suggestions for district teachers with Native American heritage. If none are found (or none are able to participate) will look for teacher with experience working with Native American students. Information will be shared with committee once secured and individual should participate in the next NAPAC meeting. If multiple are available will request small biography.

Meeting was adjourned at 6:44 pm by David Anderson (Vice Chair).
