

Vista Grande High School | Spartan P.R.I.D.E – February 2022

## Message from the Principal

Happy February Spartans! My name is Mr. Vance Danzy, I am excited to step into my new role as Principal and continue serving our Vista Grande students and community. We have many new changes happening on our campus that I believe are going to benefit all our students and enhance their learning experiences. I look forward to working with you all for years to come to make Vista Grande the best it can be.

Remember, the Online Registration has opened, and we have already started having students sign up for classes. Below, you will find two links for online registration along with the course catalog.

- **Online Registration:** <https://www.cguhsd.org/doOnlineRegistration.aspx>
- **Course Catalog:** <https://www.cguhsd.org/Downloads/CGUHSD-CourseDescriptionGuide-Current.pdf>
- **Open Enrollment Application:**

# Varsity Wrestling Season Recap

Vista Grande won 5 duals this season.

VGHS also won the Rivalry Cup against Florence, Coolidge, and CG Union.

Congrats to Terrance Mann for qualifying for the State Wrestling Championships!

# **Student Wellness Center**

**What is fentanyl and how does it work in the body?** Fentanyl is a powerful synthetic opioid. In its prescription form it is prescribed for pain, but fentanyl is also made illegally and distributed as a street drug. Illegal fentanyl is sold as a powder or made into pills that look like real prescription opioids (pain relievers).

Side effects of consuming this illegal drug are:

- Euphoria
- Drowsiness
- Confusion
- Sedation
- Tolerance
- Addiction
- Respiratory depression and arrest
- Unconsciousness
- Coma
- Death

**Why is this concerning for our students?** Fentanyl is being sold as counterfeit OxyContin, Xanax, and other prescription drugs. Currently it is the most common drug overdose in Arizona. Teens as young as 14 years old have overdosed and died.

## **Good Samaritan Law**

Protects people who may be taking part in illegal activities when an attempt has been made to aid someone needing medical attention.

## **Resources**

**1-888-688-4222: Opioid Assistance Referral Line**

**1-800-662-4357 (HELP): SAMHSA's National Helpline**
