Examples of personal mission statements

To help you get more clearance of how a personal mission statement looks like, I gathered some examples.

- To make people happy. (Walt Disney)
- To be a teacher. And to be known for inspiring my students to be more than they thought they could be. (Oprah Winfrey)
- I shall not fear anyone on Earth. I shall fear only God. I shall not bear ill will toward anyone. I shall not submit to injustice from anyone. I shall conquer untruth by truth. And in resisting untruth, I shall put up with all suffering. (Mahatma Gandhi)
- To use my gifts of intelligence, charisma, and serial optimism to cultivate the self-worth and net-worth of women around the world. (Amanda Steinberg)
- It's not about the work, it's about saying something. (Ai Weiwei)
- I want to serve the people. And I want every girl, every child to be educated. (Malala Yousafzai)
- If something's important enough you should try. Even if the probable outcome is failure. (Elon Musk)
